GOVERNMENT OF BENGAL.

Bengal Legislative Council.

NOTIFICATION.

No. 2724L.C. — 21st February 1938. — In pursuance of the provisions of rule 21 of the Bengal Legislative Council Rules, as modified and adapted under section 84(*3*) of the Government of India Act, 1935, the following Bill which was introduced in the Bengal Legislative Council on the 27th January 1938 is hereby published for general information together with the Statement of Objects and Reasons annexed thereto.

2. Notification No. 2437L.C., dated the 9th February 1938, published in the *Calcutta Gazette* of the 17th February 1938, and the annexure thereto are hereby cancelled.

THE BENGAL (RURAL) PRIMARY EDUCATION AMENDMENT BILL, 1937.

A

BILL

further to amend the Bengal Rural Primary Education Act, 1930.

WHEREAS it is expedient to amend the Bengal (Rural) Primary Education Act, 1930, in the manner appearing hereafter ;

It is hereby enacted as follows :—

This Act may be called the Bengal (Rural) Primary Education Amendment Act of 1937.

1. In section 4, clause (*a*), substitute "the Special Officer for Primary Education" in place of "the Director of Public Instruction" and "one should be a lady specially interested in education."

2. Omit clause (*a*) from section 6 and renumber the other clauses as clauses (*a*), (*b*) and so on.

3. At the end of section 20 after the words "by law" add "but an appeal shall lie to the Government against the decision of the Commissioner."

4. In section 56, substitute the word "shall" in place of the word "may" wherever it occurs in this section.

5. Substitute for section 57 the following as section 57 :—

"No fee shall be charged by any primary school under public management in any area in which primary education has been declared compulsory or when the provision of this Act have been extended and cess imposed in any area even before primary education be declared compulsory. Provided that the local Government at the recommendation of the District School Board may allow the levy of fee in any school not publicly managed in any area in which the education cess has not been imposed."

6. In section 63, sub-section (*1*), after the words "five rupees" at the end add "and a daily fine not exceeding annas 4 a day for the day or days the direction issued under sub-section (2) of section 62 is not complied with without any reasonable ground."

7. In section 64 in the third line after the words "at least" substitute the word "three" in place of "one".

STATEMENT OF OBJECTS AND REASONS.

The main objections of the proposed amendments are : (1) to increase the hours of religious instructions from one to three hours ; (2) to make provision for imposition of a daily fine in case of continued default in complying with the directions of the court issued under sub-section (2) of section 62 ; and (3) to provide necessary option to local Government to permit the privately managed institution to levy fee in those areas where education is declared compulsory without imposition of education cess and to make other minor modifications for the interest of efficient primary education.

The period of one hour in a week provided in the original Act is too inadequate and insufficient even for imparting a semblance of religious education. In Chittagong Municipality where religious education has been made compulsory, 5 hours have been provided without any hindrance to study of general subjects and the general efficiency has not been affected thereby in any way. In the province of Madras and elsewhere by recent amendment, local option has been given to impose fee in privately managed primary schools even then the primary education has been declared compulsory and the report goes that it is working well.

A certificate of service, either personal or otherwise, shall be deemed to be conclusive proof of the fact of such service.

21. At the time fixed for the hearing, the Revising Authority shall hold a summary inquiry into the claim or objection preferred and shall record his decision. He shall also, after considering any verbal or written objections that may be preferred, decide on any application made by the Registering Authority for corrections to the roll. For the purpose of the inquiry the roll as published under rule 13 shall be presumed to be correct and complete until the contrary has been proved. No party shall be represented by any legal practitioner at any proceeding under this rule.

Provided that the Provincial Government may, by notification in the Gazette, direct the preparation in accordance with these rules of a fresh roll at any time before the expiration of the said period.

(2) If a constituency is called upon to elect a member or members, after an electoral roll has ceased to have force and before the completion of the new electoral roll, the old electoral roll shall for the purposes of that election continue to operate as the electoral roll for the constituency.

(3) Provision may be made for the sale of copies of the roll to the public.

24. (1) Notwithstanding anything contained in these rules any person may apply to the Registering Authority for the constituency concerned for the amendment of any electoral roll for the time being in force, and the Registering Authority on receipt of such application shall forward it to the District Magistrate. (*e*) the expression "Returning Officer" has the same meaning as the meaning assigned to the said expression in the rules in Part I and includes any person when performing any duty or function which such person is authorised to perform under sub-rule (*1*) of rule 4 of the said rules.

Nominations and general procedure at elections.

2. (1) Any person may be nominated as a candidate for election to fill a seat in any constituency if he is qualified to be chosen to fill that seat under the Act or any rule made thereunder or an Act of the Provincial Legislature.

(2) The District Magistrate shall fix for each constituency:—

(*a*) a date, not later than the fourteenth day after the date of the notification calling upon the constituency to elect a member, on or before which nominations are to be made;

(*b*) a further date, not later than the seventh day after the first mentioned date, for the scrutiny of nominations;

(*c*) a further date not later than the day succeeding the date fixed for the scrutiny of nominations, on or before which candidatures may be withdrawn; and

(*d*) a further date or dates on which a poll shall, if necessary, be taken;

and the dates so fixed shall be published in the Gazette by the District Magistrate.

(3) On the issue of a notification under sub-rule (2) it shall be the duty of the Returning Officer to give public notice of the intended election in form I annexed to these rules in such language or languages as he thinks fit. The said notice shall be published in such manner and in such places within the constituencies as the Returning Officer considers necessary.

(4) On or before the date fixed under clause (*a*) of sub-rule (*2*), each candidate shall, either in person or by his proposer or seconder, between the hours of eleven o'clock in the forenoon and three o'clock in the afternoon, deliver to the Returning Officer or to such other person as is authorised in this behalf under rule 4 of the rules in Part I a nomination paper completed in the form specified in Schedule I and subscribed by the candidate himself as assenting to the nomination and by two persons referred to in sub-rule (5) as proposer and seconder.

(5) Any person whose name is included in the electoral roll of the constituency and who is not subject to any disabilities mentioned in section 15A of the Act may subscribe, as proposer or seconder, as many nomination papers as there are vacancies to be filled but no more.

(6) Every nomination paper delivered under sub-rule (*4*) shall be accompanied by a declaration in writing subscribed by the candidate that the candidate has appointed or does thereby appoint as his election agent for the election either himself or some other person who is not disqualified under the Act or any rule made thereunder or an Act of the Provincial Legislature for the appointment and who shall be named in the declaration; and no candidate shall be deemed to be duly nominated unless such declaration is delivered along with the nomination paper.

(7) The nomination paper shall be accompanied by another declaration that the candidate has selected a symbol from the list specified in Schedule II to the rules; no candidate shall be deemed to be duly nominated unless such declaration is delivered along with these nomination papers.

(8) Any nomination paper which is not received before 3 o'clock in the afternoon on the date fixed under clause (*a*) of sub-rule (*2*) shall be rejected.

(9) On the presentation of nomination paper, the Returning Officer may require the person presenting the same to produce copies of the electoral rolls in which the names of the candidate and his proposer and seconder are included or of the necessary entries in such roll and shall satisfy himself that the names and numbers on the electoral roll of the candidate and his proposer and seconder as entered in the nomination paper are the same as those entered in the electoral roll. Where necessary he shall direct that the former be amended so as to be in accordance with the latter.

It shall be also competent for the Returning Officer to alter or amend any entry in the nomination paper presented to him with a view to ensuring accurate and adequate publication under sub-rule (*10*) of the names of candidates and of persons who have subscribed the nomination paper as proposer and seconder.

(10) The Returning Officer or other person authorised shall, on receiving a nomination paper under sub-rule (*4*), inform the person or persons delivering the same, of the date, time and place fixed for scrutiny of nominations and shall enter in the nomination paper its serial number, and shall sign thereon a certificate stating the date on which and the hour at which the nomination paper has been delivered to him: and shall, as soon as may be thereafter, cause to be affixed in

some conspicuous place in his office a notice of the nomination containing descriptions similar to those contained in the nomination paper, both of the candidate and of the persons who have subscribed the nomination paper as proposer and seconder.

(11) Any candidate may withdraw his candidature by notice in form 11 annexed to these rules subscribed by him and assented to by the proposer and seconder and delivered to the Returning Officer or other person authorised either by such candidate or person or by his proposer or seconder before 3 o'clock in the afternoon and the date fixed under clause (*c*) of sub-rule (*2*), and a candidate who has withdrawn his candidature shall not be allowed to cancel the withdrawal or to be re-nominated as a candidate for the same election :

Provided that if the last day for the delivery of notice of withdrawal of candidature under this sub-rule is a public holiday within the meaning of section 25 of the Negotiable Instruments Act, 1881, or has been notified by the Governor as a day to be observed as a holiday in Government offices, the notice of withdrawal of candidature shall be considered as having been delivered in due time if it is delivered on the next succeeding day which is neither such a public holiday nor a day so notified.

(12) The Returning Officer or other person authorised shall, on receiving a notice of withdrawal under sub-rule (*11*) as soon as may be, cause a notice of the withdrawal to be affixed in some conspicuous place in his office.

3. (1) At the time of delivery of a nomination paper under sub-rule (*4*) of rule 2 each candidate shall enclose with the nomination paper a Government treasury receipt (chalan) showing that a deposit of the amount prescribed under section 15A of the Act has been made by him in the treasury; and no candidate shall be deemed to be duly nominated unless such deposit has been made and treasury receipt has been enclosed with the nomination paper.

(2) For the purpose of sub-section (*3*) of section 16A of the Act the number of votes polled shall be deemed to be the number of ballot papers, other than rejected ballot papers, counted.

(3) The deposit made by or on behalf of a candidate, whether such candidate is elected or not, shall, if it is not forfeited under sub-section (*3*) of section 16A of the Act, be returned to such candidate or to the person who has made the deposit on his behalf, as the case may be, after the publication of the result of the election in the Gazette :

Provided that, if a candidate is duly nominated at a general election in more than one constituency, not more than one of the deposits made by him or on his behalf shall be returned, and the remainder shall be forfeited to the District Fund.

4. (1) On the date fixed for the scrutiny of nominations under sub-rule (*2*) of rule 2, the candidates, their election agents, one proposer and one seconder of each candidate, and one other person duly authorised in writing by each candidate, but no other person, may attend at such time and place as the Returning Officer may appoint, and the Returning Officer shall give them all reasonable facilities for examining the nomination papers of all candidates which have been delivered within the time and in the manner laid down in rule 2.

(2) (*a*) The Returning Officer shall then examine the nomination papers and shall decide all objections which may be made to any nomination, and may, either on such objection or on his own motion, after such summary inquiry, if any, as he thinks necessary, refuse any nomination on any of the following grounds:—

(*i*) that the candidate is not qualified to be chosen to fill the seat under the Act or under an Act of the Provincial Legislature or under any rule made under the Act; or

(*ii*) that the candidate is disqualified for being chosen to fill the seat under section 15A or any other provision of the Act or under an Act of the Provincial Legislature or under any rule made under the Act; or

(*iii*) that a proposer or seconder is disqualified from subscribing a nomination paper under sub-rule (*5*) of rule 2; or

(*iv*) that there has been any failure to comply with any of the provisions of rule 2 or rule 3; or

(*v*) that the candidate is not identical with the person whose number or name on the electoral roll is given in the nomination paper as the number or name of such candidate; or

(*vi*) that any proposer or seconder is not identical with the person whose number or name on the electoral roll is given in the nomination as the number or name of such proposer or seconder; or

(*vii*) that the signature of the candidate or any proposer or seconder is not genuine or has been obtained by fraud.

(*b*) For the purposes of this rule—

(*i*) the production of any certified copy of an entry made in the electoral roll of any constituency shall be conclusive evidence of the right of any elector named in that entry to stand for election or to subscribe a nomination paper as the case may be, unless it is proved that the candidate is disqualified under the Act or any rule made thereunder or an Act of the Provincial Legislature or that the proposer or seconder, as the case may be, is disqualified under sub-rule (*5*) of rule 2; and

(*ii*) where a person has subscribed whether as proposer or seconder a larger number of nomination papers than there are vacancies to be filled, those of the papers so subscribed which have been first received, up to the number of vacancies to be filled, shall be deemed to be valid.

(*c*) Nothing contained in sub-clause (*iii*), sub-clause (*iv*), sub-clause (*v*), sub-clause (*vi*) or sub-clause (*vii*) of clause (*a*) shall be deemed to authorise the refusal of a nomination of any candidate on the ground of any irregularity in respect of a nomination paper if the candidate has been duly nominated by means of another nomination paper in respect of which no irregularity has been committed.

(*d*) The Returning Officer shall not refuse any nomination paper on the ground of a slight technical defect such as the wrong spelling of a name.

(3) (*a*) The Returning Officer shall endorse on each nomination paper his decision accepting or rejecting the same and, if the nomination is rejected, shall record in writing a brief statement of his reasons for such rejection.

(*b*) The scrutiny shall be completed on the day fixed in this behalf under clause (*b*) of sub-rule (*2*) of rule 2 and no adjournment of the proceedings shall be allowed.

(4) (*a*) On completion of the scrutiny of nominations and after expiry of the period within which candidatures may be withdrawn under sub-rule (*11*) of rule 2, the Returning Officer shall forthwith examine symbols selected by the candidates and if such symbols are found to conflict with each other, he shall allocate the symbols in conformity as far as possible with the wishes of the candidate and if necessary by lot, and his decision in this respect shall be final. Each candidate or his election agent shall at the same time be informed of the symbol assigned to such candidate and shall be given a specimen thereof. He shall then prepare a list of valid nominations indicating therein the symbol assigned to each candidate.

(*b*) The Returning Officer shall cause the list of valid nominations prepared by him under clause (*a*) to be affixed in some conspicuous place in his office, and in such other places as he thinks fit.

5. If a candidate who has been duly nominated under these rules dies after the date fixed for the scrutiny of nomination and before the commencement of the poll, the Returning Officer or other authorised person referred to in sub-rule (*4*) of rule 2 shall, upon being satisfied of the fact of the death of the candidate, countermand the poll and report the fact to the District Magistrate and all proceedings with reference to the election shall be commenced anew in all respects as if for a new election:

Provided that no fresh nomination shall be necessary in the case of a candidate whose nomination had been valid at the time of the countermanding of the poll.

6. (1) If the number of candidates who are duly nominated and who have not withdrawn their candidature in the manner and within the time specified in sub-rule (*11*) of rule 2 exceeds that of the seats to be filled, the Returning Officer shall forthwith publish in the Gazette, and in such other manner as the District Magistrate may direct, and in such places in the constituency as the Returning Officer may consider necessary, a list in form III annexed to these rules containing the names in alphabetical order and addresses of the candidates as given in the nomination papers and the symbol, assigned to each candidate, and a poll shall be taken.

(2) If the number of such candidates is equal to the number of seats to be filled, the Returning Officer shall declare all such candidates to be duly elected to fill those seats.

(3) If the number of such candidates is less than the number of seats to be filled the Returning Officer shall declare all such candidates, if any, to be elected to fill the seats, and the District Magistrate shall, by notification in the Gazette, call upon the constituency to elect a person or persons, as the case may be, within such time, as may be fixed by him and specified in the notification.

(4) At elections in every constituency where a poll is taken votes shall be given by ballot in the manner provided in these rules and no votes shall be received by proxy

(5) Votes shall be counted by, or under the supervision of, the Returning Officer, and each candidate, and either his election agent, or one representative of each candidate authorised in writing by the candidate shall have a right to be present at the time of counting.

(6) When the counting of the votes has been completed, the Returning Officer shall forthwith declare the candidate or candidates elected.

(7) The Returning Officer shall without delay report the result of the election to the District Magistrate or to such officer as the Local Government may direct, and the name or names of the candidate or candidates shall be published by Government in the Gazette.

Special procedure at election in constituencies in which seats are reserved for members of the minority community.

7. (1) A candidate of the minority community duly nominated for election to a seat reserved in a constituency shall be deemed as a candidate for election both to the reserved seat as well as to the non-reserved seat in that constituency and *vice versa*, viz., a candidate of the minority community duly nominated for election to the non-reserved seat in a constituency in which a seat is reserved for that community shall be deemed as a candidate for election both to the non-reserved as well as to the reserved seat.

The election to such reserved and non-reserved seat shall be determined at the poll which shall be taken in that constituency on the date or dates fixed under sub-rule (2) of rule 2:

"Provided that a separate ballot box shall be allotted to each such candidate for election to the reserved as well as the non-reserved seat."

(2) If a member of the minority community who has been duly nominated as a candidate for a seat reserved for a member of that community dies before the commencement of the poll, referred to in sub-rule (1), the Returning Officer or other authorised person referred to in sub-rule (4) of rule 2 shall, upon being satisfied of the fact of the death of the candidate, countermand the poll and report the fact to the District Magistrate and a new election shall be held in accordance with these rules:

Provided that this rule shall not apply to any case where the total number of candidates after the death of such candidate is not less than the number of seats reserved.

8. (1) The provisions of this rule shall apply in relation to any election in a constituency where the seats to be filled include a seat or seats reserved for members of the minority community.

(2) If the number of candidates qualified to be chosen to fill a seat or seats so reserved is equal to the number of seats so reserved all those candidates shall be declared to be elected to fill the reserved seat or reserved seats and a poll shall only be taken, if necessary, for filling any seat or seats not filled under this sub-rule.

(3) If the number of candidates qualified to be chosen to fill a seat or seats so reserved is greater than the number of seats so reserved,

then, when the counting of the votes has been completed the Returning Officer shall first declare that one, or those, of the qualified candidates to whom the largest number of votes has been given to be elected to fill the reserved seat or the reserved seats.

(4) If the number of candidates qualified to be chosen to fill a seat or seats so reserved is less than the number of seats so reserved, all these candidates, if any, shall be declared to be elected, to fill the seats so reserved and the District Magistrate shall by notification in the Gazette call on the constituency to elect a person or persons, as the case may be, within such time as may be specified in the notification.

Voting.

9. (1) The District Magistrate shall fix the hour at which the poll shall commence and the hour at which it shall close on the date, or dates fixed for the poll under clause (*d*) of sub-rule (2) of rule 2. The hours of polling shall ordinarily be uniform within each constituency but the District Magistrate may in the case of any constituency specify different hours of polling within different areas. The District Magistrate shall publish the hours fixed for polling in such manner as the District Magistrate may think fit.

(2) The Returning Officer may, either for the constituency as a whole or for a particular polling station of the constituency, for sufficient cause and with the previous consent of the District Magistrate postpone the date fixed for the poll to a date to be fixed by the District Magistrate, or for sufficient cause and with the previous consent of the District Magistrate extend the hour fixed under sub-rule (1) at which the poll shall close.

10. (1) The Returning Officer shall select for each constituency as many polling stations as he thinks necessary and shall publish, in such manner as the District Magistrate may direct, a list showing the polling stations so selected, and the polling areas for which they have respectively been selected.

(2) The Returning Officer shall appoint a presiding officer for each polling station and such other person or persons (hereinafter referred to as polling officer or officers) to assist the presiding officer as he thinks necessary:

Provided that if a polling officer is absent from the polling station the presiding officer may appoint any person who is present at the polling station to be the polling officer during the absence of the former officer and inform the Returning Officer accordingly.

(3) A polling officer may, if so directed by the presiding officer, perform all or any of the duties assigned to a presiding officer under these rules.

(4) If the presiding officer, owing to illness or other unavoidable cause, is obliged to absent himself from the polling station, his duties shall be performed by such polling officer as has been previously authorised by the Returning Officer to perform such duties during any such absence.

11. (1) The presiding officer shall keep order at the polling station, shall see that the election is fairly conducted, shall regulate

the number of electors to be admitted at one time, and shall exclude all other persons except –

(*a*) the polling officer or officers, the candidates, and one agent of each candidate (hereinafter referred to as the polling agent) appointed in writing by the candidate, and authorised in this behalf by the Returning Officer,

(*b*) the police officer or officers or other public servants on duty, and

(*c*) the persons referred to in rule 18.

(2) At least seven days before the date fixed for the poll every candidate shall forward to the Returning Officer of the constituency the name of the polling agent appointed in writing by the candidate:

Provided that, in the case of the revocation of appointment of, or the death of a polling agent, the Returning Officer may allow the appointment of another agent in his place at any time before the poll is taken.

(3) There shall be at least two police constables or chaukidars on duty either inside or outside the polling station, as the presiding officer shall direct, who shall under the orders of the presiding officer assist in expediting and regulating the passage of electors inside the polling station or maintain order either inside or outside the polling station

(4) The presiding officer shall close the polling station at the hour fixed for the close of the poll under sub-rule (1) or sub-rule (2) of rule 9, as the case may be, so as to prevent the admission thereto of any elector after that hour, provided that all electors present at the polling station before it is so closed shall be entitled to have their votes recorded.

(5) In emergencies such as a disturbance of the public peace or the intervention of floods the presiding officer for any polling station may, with the previous approval of the Returning Officer, close the poll at such station and announce an adjournment of the poll to a date to be notified later. The Returning Officer shall immediately report the circumstances to the District Magistrate and the District Magistrate shall, as soon as may be, appoint a date on which the poll shall recommence at such polling station. The hour at which the poll shall commence and the hour at which the poll shall close on such date shall be fixed by the District Magistrate. The date so appointed and the hours so fixed shall be notified in such manner as the District Magistrate may direct.

12. If any person misconducts himself at the polling station or fails to obey the lawful orders of the presiding officer or the polling officer performing the duties of the presiding officer, he may immediately by order of the presiding officer or such polling officer, be removed from the polling station by any police officer or by any other person authorised in writing by the presiding officer or such polling officer to remove him; and the person so removed shall not unless with the permission of the presiding officer or such polling officer be allowed again to enter the polling station during the day:

Provided that this power shall not be exercised so as to prevent any elector who is otherwise entitled to vote at any polling station from having an opportunity of voting at such station.

13. Each polling station shall be furnished with such number of compartments, in which electors can record their votes screened from observation, as the Returning Officer thinks necessary.

14. (1) The Returning Officer shall provide at each polling station one ballot box for each of the candidates in each polling compartment thereof and the ballot boxes shall be so placed in the compartment that an elector can insert his ballot paper in any of the boxes without being observed by any other person:

(2) The symbol assigned to each such candidate shall be printed and pasted on each such ballot box together with the name of the respective candidate. The ballot box of each candidate shall also be clearly marked with his name in English, Bengali and/or any other vernacular language as may be decided by the Returning Officer.

(3) Outside and inside each such polling station there shall be displayed on boards to be provided for the purpose by the Returning Officer, in bold and clear print, the name of each candidate in English, Bengali and/or any other vernacular language as may be decided by the Returning Officer, the name of the symbol with which his ballot box is marked and the symbol itself.

(4) The Returning Officer shall also provide at each polling station instruments for stamping the official mark on ballot papers, as many ballot papers as may be necessary, copies of the electoral roll or of such part thereof as contains the names of the voters entitled to vote at such station.

(5) The official mark shall be kept secret and a period of not less than seven years shall intervene between the use of the same official mark at elections for the same constituency.

15. Every ballot box shall be so constructed that the ballot papers can be introduced therein, but cannot be withdrawn therefrom, without the box being unlocked. The presiding officer at any polling station, immediately before the commencement of the poll, shall show each ballot box to be used at the poll to such persons as may be present in such station, so that they may see that it is empty, and he shall then lock it up and place his seal upon it in such manner as to prevent its being opened without breaking such seal, and shall keep it so locked and sealed.

16. Before the polling station is open for the recording of votes, the presiding officer shall read to such persons as may be present the provisions of section 14 of the Indian Election Offences and Enquiries Act, 1920, and shall explain the substance thereof in the vernacular of the district.

17. (1) The voter on entering the polling station, shall first approach the person in charge of the electoral roll who shall ascertain the voter's name, address and such other particulars as appear on the roll, and having checked these with the roll, call out the number, name and description of the voter as printed. He shall then place against the number of the voter in the roll a short horizontal line to denote that the voter has received a bollt paper. No other mark shall be made on the roll.

(2) On the voter's name being called out the person in charge of the ballot paper shall enter the name of the polling station, the distinctive letter or number of the polling station and the serial number of

the elector, the name of the union board or choukidari union to which the elector belongs and which is included in the electoral area of the constituency, the voters in respect of which are entitled to vote at such polling station, on the counterfoil of the ballot paper. He shall then detach the ballot paper from the counterfoil and stamping it with the official mark deliver it to the voter.

(3) In deciding the right of a person to obtain a ballot paper under this rule the presiding officer at any polling station may interpret an entry in the electoral roll so as to overlook merely clerical or printing errors but shall record his reasons for doing so, and the interpretation he had adopted, on the counterfoil of the ballot paper issued to such person.

(4) At an election in a constituency in which a seat is reserved for members of the minority community, the voter shall be given a ballot paper for election to the reserved seat and another for election to the non-reserved seat, and the polling officer shall explain to the voter that he shall place the former ballot paper in one of the ballot boxes of candidates for the reserved seat, and the latter in one of the ballot boxes of candidates for the non-reserved seat.

18. At every polling station a Panchayat of the choukidari union, or the President or a member or officer of the union board, included within the electoral area of the constituency, the voters in respect of which are entitled to vote at such polling station, or any other person whom the presiding officer considers suitable shall, as far as practicable, be present from the commencement of the poll and shall sit in close proximity to the polling officer in charge of the electoral roll and shall assist him in identifying the electors calling his attention to any case of impersonation or misrepresentation when the matter shall at once be referred to the presiding officer.

19. (1) The voter, on receiving the ballot paper, shall show the official mark thereon to the presiding officer or to the polling officer performing the duties of the presiding officer, and forthwith proceed into the polling compartment where he shall put his ballot paper into the ballot box or boxes of the candidate or candidates for whom he desires to vote. Every voter shall vote without undue delay and shall quit the polling station as soon as he has put his ballot paper into the ballot box:

(2) The presiding officer may, at any time while a poll is proceeding, enter any polling compartment and may take such steps as may be necessary to ensure that the boxes remain ready for the reception of ballot papers, and that no voter delays unduly in any such compartment and that not more than one voter is in any such compartment at a time. The presiding officer may also see that no elector resorts to any malpractices within the polling compartment.

20. If any voter, owing to illiteracy or infirmity, is unable to read the symbols on a ballot box the presiding officer shall put the ballot paper into the ballot box according to the direction of the voter.

21. At any time before a ballot paper is delivered to a voter the presiding officer or the polling officer may of his own accord, if he has reason to doubt the identity of the voter or his right to vote at such

station, and shall, if so required by a candidate or polling agent put to the voter the following questions:—

(*2*) Have you already voted at the present election in this constituency?

(*3*) Have you already voted at this general election in any other constituency in the district?

and the voter shall not be supplied with a ballot paper if he refuses to answer any one of the questions and unless he answers the first question in the affirmative, the second question in the negative, and, at a general election, the third question also in the negative.

22. (1) The ballot paper shall be in Form IV annexed to these rules and shall be printed in such language as the District Magistrate may direct.

(2) Every polling-station shall have a distinctive letter or number allotted to it. The serial number and the name of the constituency shall be printed on every ballot paper and its counterfoil. There shall be also shown on the countertoil of each ballot paper entries relating to the particulars mentioned in sub-rule (2) of rule 17 which shall be filled in by the person in charge of the ballot paper in accordance with the provisions of the said sub-rule:

Provided that if in a constituency a seat is reserved for the minority community, the ballot papers for election to the reserved seat shall be of a colour different from that of the other ballot papers.

23. If a person representing himself to be a particular voter named on the electoral roll applies for a ballot paper or papers, as the case may be, after another person has voted as such voter, the applicant shall, after duly answering such questions as the presiding officer may ask, be entitled to receive a ballot paper. Such ballot paper (hereinafter referred to as a "tendered ballot paper") shall be in Form V annexed to these rules, and, instead of being put into the ballot box, shall be given to the presiding officer who shall endorse it with the name of the candidate for whom such person desires to vote and also with the name of the voter, his number on the electoral roll and the name of the electoral area to which the roll relates. It shall be set aside in a separate packet and shall not be counted by the Returning Officer. The name of the constituency, the name of the voter and his serial number in the electoral roll and the name or distinctive letter or the number of the polling station to which the roll relates shall be entered in a list in Form VI annexed to these rules, which shall bear the heading "Tendered votes list." The person tendering such ballot paper shall sign his name and address thereon or affix his thumb impression against the entry in that list.

24. (1) If any polling agent or a Panchayet of a choukidari union or the President or a member of a union board or any person whom the presiding officer considers suitable declares and undertakes to prove, or if the presiding officer for any reason is clearly of opinion, that any person by applying for a ballot paper has committed the offence of personation, the presiding officer shall require such person to enter in the list of challenged votes (which shall be in Form VII annexed to

these rules) his name and address, or if he is unable to write, to affix his thumb impression thereto. If such person refuses to comply with such requisition he shall not be permitted to vote, but if he does so comply he shall be allowed to vote, after he has been warned of the penalty of personation, provided that he answers the questions mentioned in rule 21 in the manner laid down therein.

(2) The presiding officer shall in every case, whether or not the person is allowed to vote, make a note of the circumstances in the list of challenged votes.

25. A voter who has inadvertently dealt with his ballat paper in such a manner that it cannot conveniently be used as a ballot paper may, on delivering it to the presiding officer and satisfying him of the inadvertence, obtain another ballot paper in place of the spoilt paper and the latter shall, together with its counterfoil, be marked as cancelled by the presiding officer.

26. (1) A presiding officer, polling officer or polling agent or public servant, who being a voter of any constituency is duly authorised or appointed for duty at a polling station at which he is not entitled to vote, may apply to the Returning Officer of the constituency for a certificate entitling him to vote at that polling station but at no other. On the production of such certificate he shall be allowed to vote at that polling station.

(2) Application for such certificate shall be made to the Returning Officer of the constituency of which he is a voter in form VIII annexed to these rules on or before a date to be fixed in this behalf by the District Magistrate. The certificate shall be in form IX annexed to these rules.

27. (1) A person in possession of a certificate issued under rule 26 shall deliver the certificate to the presiding officer who shall thereupon issue to the person a ballot paper or papers as the case may be, in the same manner as to any other elector:

Provided that the person in charge of the ballot paper shall, under sub-rule (2) of rule 17, enter on the counterfoil of each such ballot paper the name of the polling station at which the vote is recorded, the name of the constituency and the polling station at which the voter would otherwise have been entitled to vote, the serial number of the voter in the electoral roll of that constituency to which the voter belongs and which is included in that constituency as given in the certificate issued under rule 26.

(2) Ballot papers issued under sub-rule (1) shall be dealt with in the following manner:—

(*a*) If the polling station at which the person is authorised or appointed for duty is in the same constituency as the one in which he is entitled to vote, then subject to the proviso to sub-rule (1) the provisions contained in rules 17 and 19 shall apply. The certificate delivered under sub-rule (1) shall be filed by the presiding officer.

(*b*) If the polling station at which the person is authorised or appointed for duty is not in the same constituency as the one in which he is entitled to vote, then the presiding officer shall along with the ballot paper or papers return to the person the certificate delivered under sub-rule (1)

and issue to him as many envelopes as there are candidates for the constituency in which he is entitled to vote, each envelope having on its outside the symbol or the name of the symbol assigned to the respective candidate written, with instructions similar to those contained in sub-rule (4) of rule 17. The person shall then go inside the polling compartment and place the ballot paper or papers in the envelope or envelopes according to his choice, close the envelopes and enclose them and the certificate aforesaid in a cover to be supplied to him by the presiding officer and then hand the cover over to the presiding officer. The presiding officer shall, as soon as practicable after the close of the poll, despatch the cover to the Returning Officer concerned.

28. The presiding officer of each polling station, as soon as practicable after the close of the poll, shall, in the presence of any candidates or polling agents who may be present, make up into separate parcels and seal with his own seal and the seals of such candidates or polling agents as may desire to affix their seals—

(1) each ballot box in use at each station unopened but with the key attached and the slit in the lid sealed up;

(2) the unused ballot papers;

(3) the tendered ballot papers;

(4) the spoilt ballot papers;

(5) the marked copy of the electoral roll and any certificates filed by the presiding officer under rule 27;

(6) Counterfoils of the ballot papers;

(7) the tendered votes list; and

(8) the list of challenged votes;

and shall deliver such packets or cause them to be delivered to the Returning Officer appointed by the District Magistrate.

29. The packets shall be accompanied by a statement in Form X made by the presiding officer, showing the number of ballot papers entrusted to him and accounting for them under the heads of ballot papers issued, unused, spoilt and tendered ballot papers and ballot papers dealt with under rule 27.

Counting of votes.

30. (1) The District Magistrate shall, as soon as may be practicable after the close of the poll, appoint a date, for the counting of votes. The Returning Officer shall fix the place and time at which the votes shall be counted on the date so appointed and shall give notice of such date, time and place, in writing to all candidates and election agents.

(2) If, at the time appointed, all the ballot boxes have not been received by the Returning Officer, or if from any other unavoidable cause he is unable to proceed with the counting of votes, he shall with the previous consent of the District Magistrate postpone the counting

to some other time and date appointed by the District Magistrate, and shall give notice thereof in writing to the candidates and election agents.

31. (1) No person shall be allowed to be present at the counting of the votes except the Returning Officer and such persons as he may appoint to assist him in counting the votes, and each candidate and such other persons as have a right to be present under sub-rule (5) of rule 6.

(2) No person shall be appointed to assist in counting the votes, who has been employed by or on behalf of any candidate for any purpose whatsoever connected with the election.

32. On the day and at the time appointed under rule 30 the Returning Officer shall, before he commences to count the votes, read the provisions of section 14 of the Indian Election Offences and Inquiries Act, 1920, to such persons as may be present and shall then proceed as follows:—

(*a*) All the ballot boxes allotted to a particular candidate shall be separated from those allotted to any other candidate and numbered and placed together, and the counting of all the ballot papers contained in the boxes allotted to the same candidate shall be completed before the counting of the ballot papers contained in the boxes allotted to any other candidate is commenced. The order as between the candidates in which the counting of votes shall proceed shall be the alphabetical order of the candidates' surnames. In case of dispute the decision of the Returning Officer shall be final. The Returning Officer or a person authorised by him shall, in the presence of the candidates or their agents or representatives as may be present, open each box and after taking out the ballot papers therefrom shall stamp each ballot paper with the name of the candidate to whom the box in which the ballot papers were contained was allotted. He shall then distribute such papers in convenient bundles to persons appointed to assist in the counting of votes.

(*b*) When the ballot papers have been so distributed but not before the Returning Officer shall allow the candidates and their election agents, or representatives duly authorised to be present under rule 31 or either of them as may be present reasonable opportunity to inspect, without handling the ballot papers, and shall on every ballot paper which is rejected endorse the word "rejected". If any candidate or his agent or representative present questions the corerctness of the rejection, he shall also record on the ballot paper the grounds for the rejection.

(*c*) The Returning Officer shall, as far as practicable, proceed continuously with the counting of the votes, and shall, during any necessary intervals during which the counting has to be suspended, place the ballot papers, packets and other documents relating to the election under his own seal and the seals of such candidates, or election agents as may desire to affix them, and shall cause adequate precautions to be taken for their custody.

(*d*) After the counting of ballot papers contained in all the ballot boxes has been completed the Returning Officer shall record the number of ballot papers contained in the ballot boxes allotted to each candidate separately in a statement and shall seal in a separate packet all the ballot papers in support of each candidate.

33. When the counting of votes has been completed, the Returning Officer shall, unless an equality of votes is found to exist between two or more candidates, forthwith declare the candidate, to whom the largest number of valid votes has been given, to be elected:

Provided that upon the application of any candidate, or his election agent or his representative duly authorised under sub-rule (5) of rule 6 a recount shall be made before the Returning Officer makes the declaration, but the Returning Officer may reject any such application as may appear to him to be frivolous recording at the same time the grounds for such rejection.

34. If, when a poll has been taken at an election, an equality of votes is found to exist between any candidates and the addition of one vote will entitle any of the candidates to be declared elected, one additional vote shall be given by the Returning Officer to the candidate, or as the case may be, the candidates, selected by lot drawn in the presence of the Returning Officer in such manner as he may determine.

35. (1) A ballot paper shall be rejected if—

(*a*) it does not contain the official mark referred to in sub-rule (2) of rule 17;
(*b*) it bears any mark by which the voter can be identified;
(*c*) in the case where it is despatched in a cover under clause (*b*) of sub-rule (2) of rule 27 to the Returning Officer, the cover does not contain the certificate issued under rule 26 to the voter whose vote is recorded on such ballot paper;
(*d*) a ballot paper intended for election to a reserved seat is found in a ballot box of a candidate for a non-reserved seat, or *vice versa*.

(2) The decision of the Returning Officer as to the validity of a ballot paper shall be final.

36. The Returning Officer shall not open the sealed packets of the tendered votes, the marked copy of the electoral roll or the counterfoils of the ballot papers. He shall verify the statements submitted by the presiding officers under rule 29 by comparing them with the statement prepared under clause (*d*) of rule 32 and with the number of counted votes and rejected ballot papers, the unused ballot papers in his possession and the tendered votes list, shall then reclose and reseal each packet which has been opened by him, and shall record on each packet a description of its contents and the date of the election to which it refers.

37. The Returning Officer shall then prepare and certify a return in Form XI setting forth—

(*a*) the names of the candidates for whom valid votes have been given;
(*b*) the number of valid votes given for each candidate;
(*c*) the number of votes declared invalid;

(*d*) the number of tendered votes given;
(*e*) the result of the verification referred to in rule 36; and
(*f*) the names of the candidates elected;

and shall permit any candidate or his election agent or his representative duly authorized under sub-rule (*5*) of rule 6 to take a copy of or an extract from such return

38. (1) The Returning Officer shall, after reporting the result of the election under rule 6 forward the return to the District Magistrate.

(2) With the exception of the papers relating to election mentioned in rule 47 all papers relating to the election shall be forwarded by the Returning Officer to the District Magistrate.

(3) The papers relating to the election mentioned in rule 47 shall be disposed of by the Returning Officer in the manner set out in the said rule and shall be forwarded by him direct to the District Magistrate for safe custody.

All other papers relating to the election shall be open to public inspection subject to such conditions and payment of such fee, if any, as the District Magistrate may direct.

(2) Copies of returns by the Returning Officer shall be furnished by the District Magistrate on payment of a fee of Rs. 2 for each copy.

40. The packets of ballot papers and of the counterfoils thereof referred to in sub-rule (*1*) of rule 39 shall be retained for a period of one year and shall thereafter be destroyed subject to any direction to the contrary made by the District Magistrate, or by a competent court or by the authority appointed to hold an enquiry in respect of an election.

41. No person in the employment or pay of the District Board shall directly or indirectly engage in canvassing for votes or otherwise assist in the election of any candidates otherwise than by giving his own vote. Any breach of this rule will render him liable to dismissal.

42. All costs incurred in the preparation and printing of the register of voters, the publication of notices, the holding of elections or taking any other necessary action under these rules, shall be payable from the District Fund.

Vacation of seats and notification of casual vacancies.

43. If a person is elected to more than one seat on the Board, then unless within seven days from the date of the publication in the Gazette of the name of that person as having been so elected, or, where such publication has been made on different dates, unless within seven days from the latest of such dates, such person resigns all but one of the seats, all the said seats shall become vacant.

44. When the seat of a member becomes vacant or is declared vacant, or the election of a member is declared void, the District Magistrate shall, subject to the provisions of sub-rule (*2*) and sub-rule (*3*), by notification in the Gazette, call upon the constituency concerned

Provided that the said notification may be issued at any time not being more than four months prior to the date on which the term of the Board would expire in the ordinary course of events or the period of supersession of the Board, if any, would expire.

RESOLUTION—No. 693M.

Calcutta, the 25th February 1938.

The attention of Government has been drawn to the unsatisfactory state of affairs that has been prevailing for some time past in the administration of the Baduria municipality in the district of the 24-Parganas. It appears that there are two rival parties among the Municipal Commissioners and that party spirit has become so rampant among them that even the normal administration of the municipality is not being allowed to be carried on properly. It appears that the Chairman is practically an absentee and that the Vice-Chairman is not able to manage the affairs of the municipality properly. The party in opposition succeeded in securing a majority and, at the meeting of the Municipal Commissioners held on 31st October 1937, carried a resolution inhibiting the Chairman and the Vice-Chairman from the exercise of their powers under section 51 of the Bengal Municipal Act. Repeated attempts were made by the local officers of Government to bring about an amicable settlement between the parties, but these proved of no avail. The Chairman and the Vice-Chairman, although their party is in a minority, would not resign so as to remove the deadlock, and the party in opposition has not also the two-thirds majority necessary for their removal. Nor would the parties agree to come to a mutual understanding in the interests of the ratepayers whom it is their duty to serve.

2. The financial condition of the municipality is not sound as is evidenced by the Audit Report of the municipality for the year 1936-37, which shows that the liabilities exceeded the assets by Rs. 3,408. The present Medical Officer and his salary have been made the subject of violent party faction. It is reported that, if the present situation continues much longer, the dispensary will have to close down. Its funds are reported to be already insufficient for meeting the Medical Officer's salary and for supplying a proper stock of medicine. During his visit to the municipality in December last, the District Magistrate found that the municipal staff had not been paid their salaries for four months, and that as a result they had gone on strike and a complete deadlock had ensued. He also found that the tax daroga had been suspended by the Chairman with the result that there had been no collection of taxes for about a month and a half. In fact there appears to have been a complete deadlock in the municipal administration to the great suffering and inconvenience of the residents of the municipality.

3. The conduct of both the parties appears to Government to have been in utter disregard of their statutory duties and the interest of the ratepayers, and it is clear that the Municipal Commissioners have shown their incompetency to manage the affairs of the municipality by allowing party spirit to paralyse the municipal administration. In the circumstances, Government are satisfied that the present Municipal Commissioners have persistently made default in the performance of the duties imposed on them by the Bengal Municipal Act, 1932, and have shown their incompetency to perform those duties. In exercise of the power conferred on him by section 552 of the Bengal Municipal Act, 1932, the Governor is accordingly pleased to direct that a fresh general election shall be held, and that fresh appointments shall be made of persons to be Commissioners of the Baduria Municipality in the district of the 24-Parganas.

(4) The leader shall not permit the brigade to go underground until he has received such instructions and, if necessary, such tracing.

48. *Fresh air bases.*—(1) As soon as possible a base or bases shall be established in fresh air, as near to the irrespirable zone or zones as safety permits. Each such base shall, if possible, be connected by telephone if the base is underground to the surface or if the base is on the surface to the shaft bottom.

Provided that if the leader and the manager of the mine consider that in order to save life the brigade should proceed at once into the mine, this test may be dispensed with if the apparatus has previously been tested at a Rescue Station.

51. *Duties of leader underground.*—(*1*) If the atmosphere is clear, the leader shall, when passing the junction of two or more roads, clearly indicate the route by means of arrow-marks in chalk. If the atmosphere is obscure the leader shall see that a life-line is led in from fresh air, and shall not allow any member of the brigade to move out of reach of that line; or, if that course is impracticable, he shall not proceed until every road branching from the route is fenced across the opening.

(*2*) The leader shall keep the team together and shall not allow any member of the team to stray.

(*3*) When using rescue apparatus the leader shall carry a watch, shall read the pressure of the compressed oxygen every 20 minutes or thereabouts, and shall commence the return journey in ample time. In travelling he shall adapt the rate to that of the slowest member. If any member of the corps or brigade is in distress, he shall immediately return to the fresh air base with the whole brigade.

(*4*) The leader shall not permit any corps or brigade using breathing apparatus in a mine to remain at work for longer than 1½ hours at any one time.

J. C. Basu, for *Director of Agriculture, Bengal.*

Dacca, the 25th February 1938.

DEPARTMENT OF AGRICULTURE, BENGAL.

Dacca, the 26th February 1938.

Second Forecast of the Spring Oilseed Crops of Bengal, 1937-38.

(*Note.*—On an average of the five years ending 1935-36, the area under linseed in Bengal has represented some 3·4 per cent. and that under rape and mustard 11·9 per cent. of the total area under these crops in India.)

Character of the season.—As reported in the first forecast, the weather has generally been favourable for the growth of the crops. Some damage has, however, been done to the crops by droughty condition in Dacca, Nadia, Midnapore and in parts of the Rajshahi Division.

Area sown.—Oilseeds are chiefly grown in the Dacca, Rajshahi and Presidency Divisions. In the other two divisions the cultivation is not extensive. The total area under these crops (excepting sesamum for which separate forecasts are issued) is returned at 950,500 acres this year as against 916,300 and 916,700 acres, respectively, in the corresponding and final forecasts of last year.

Outturn.—From the District Officers' estimates the average outturn of the different oilseed crops for the province works out at 79 per cent. of the normal as against 82 and 85 per cents. reported, respectively, in the corresponding and final forecasts of last year.

M. Carbery,

Director of Agriculture, Bengal.

DEPARTMENT OF AGRICULTURE, BENGAL.

Dacca, the 24th February 1938.

Second Forecast of the Wheat Crop of Bengal, 1937-38.

(*Note.*—On an average of the five years ending 1935-36, the area under wheat in Bengal has represented some 0·4 per cent. of the total area under wheat in India. The ratio of the irrigated wheat acreage to total wheat acreage in (*a*) British India and (*b*) in the territory now reported on has, in the five years ending 1935-36, averaged (*a*) 41·7 and (*b*) 9·7 per cent., respectively.)

Character of the season.—As indicated in the first forecast the weather and rainfall conditions have been generally favourable for the germination and growth of the crop. Since then the conditions have been favourable except in Nadia, Dacca and parts of North Bengal, where drought somewhat affected the crop. A satisfactory crop is, however, expected for the province.

Acreage.—According to the estimates of the District Officers the total area sown amounts to 160,900 acres this year as against 149,500 in the corresponding and final forecasts of last year.

Outturn.—The average provincial outturn as worked out from the district estimates is 83 per cent. as against 86 and 84 per cents., respectively, in the corresponding and final forecasts of last year.

Director of Agriculture, Bengal.

Resolution on the final report on relief operations in the district of Nadia during the years 1935 and 1936.

GOVERNMENT OF BENGAL.

Revenue Department.

Miscellaneous.

RESOLUTION.—No. 4195 Misc.

Calcutta, the 25th February 1938.

Read—

1. Memorandum No. 1880 R.G., dated the 28th August 1937, from the Commissioner, Presidency Division, submitting the final report.

2. The year 1935 was a drought year in West Bengal, and this district, like others in this area, was seriously affected, the outturn of *aus* and *aman* paddy being exceptionally poor, and the *rabi* crop of 1935-36 being equally bad. The *aus* and *aman* crop of 1936 promised to be good everywhere, but an abnormal rise in the level of the Bhagirathi in August 1936 caused a flood which added to the agricultural distress by destroying, in certain areas, a quarter of the *aus* and half of the *aman* crops. The area affected was 76 square miles with a population of 37,000 in the Sadar subdivision; 8 square miles with a population of 3,532 in the Ranaghat subdivision; 49 square miles with a population of 23,900 in the Chaudanga Subdivision; 83 square miles with a population of 57,900 in the Kushtia subdivision; and 233 square miles with a population of 108,824 in the Meherpur subdivision. With the help of the district board relief measures were instituted early in 1936 to cope with the situation caused by the drought of 1935; and these measures had to be renewed during the monsoon of 1936 in consequence of the destruction of crops by flood. They consisted of the following:—

1. Test works.
2. Gratuitous relief.
3. Distribution of loans.

3. Test works were started by the district board, on a very small scale, at Nakashipara in March, and in Santipur in April, and continued till May 1936. They consisted of repairs to roads, and cost Rs. 553 only. The number of units relieved was 4,757. A much greater number of labourers was expected to turn out to the works, and the small attendance can only be ascribed to the comparative scarcity of labour in this district, as compared with the neighbouring district of Murshidabad. The failure of crop was sufficiently serious to give rise to apprehension of a much greater degree of distress than was actually disclosed by test.

4. Gratuitous and charitable relief was given in accordance with the procedure laid down in the Bengal Famine Code. In addition to a Government grant of Rs. 5,996 the district board allotted Rs. 1,550 from the District Fund, and public subscriptions amounted to Rs. 450. Thirteen paddy husking societies were organised in the Ranaghat and Sadar subdivisions at a cost of Rs. 1,044 to give employment to helpless women.

5. A total sum of Rs. 41,500 was distributed as agricultural loans in 1935-36 and Rs. 1,34,745 during 1936-37. Rupees 1,000 was advanced under the Land Improvement Loans Act to encourage private works.

The demand for agricultural loans was comparatively small until sowing operations began in 1936, when the demand became suddenly urgent. Every endeavour was made to cope with this sudden demand, and Government were prompt in complying with requisitions by local officers.

6. The flood caused suffering and very great inconvenience to the people, but relief measures were adequate. It is interesting to note that the frequent recurrence of floods in this district appears to be connected with the revival of the moribund river system, and if only arrangements can be made for the speedy drainage of the flooded areas, the ultimate result of the floods will be a great increase in the fertility of the low-lying lands.

7. Mr. O. M. Martin, C.I.E., I.C.S., Additional Commissioner, Presidency and Burdwan Divisions, supervised the

relief operations. He visited the district several times and toured in the affected tracts.

8. The Governor is satisfied that the relief measures carried out in this district were adequate and conducted with efficiency and economy. The thanks of the Governor are due to Messrs. S. Dutta, I.C.S., and N. M. Ayyar, I.C.S., the then Collectors of the district, and to all other officers concerned. His thanks are also due to all private persons who generously contributed to the successful working of the relief operations, to the district board of Nadia for their whole-hearted co-operation in relief measures, and in particular to the Chairman, Rai N. N. Mukherjee Bahadur and to the District Engineer, Rai Sahib Bhudeb Chandra Sovakar, for the valuable assistance given by them.

Order.—Ordered that this resolution be published in the official gazette.

By order of the Governor,

O. M. MARTIN,
Secy. to the Govt. of Bengal.

DEPARTMENTAL CIRCULAR No. I OF 1938.

The 5th March 1938

Subject—Participation of co-operative officers in meetings and conferences organised by non-official co-operators.

It has been brought to my notice that the Departmental Officers often refuse invitation from the non-official co-operators to attend co-operative meetings and conferences organised by them under a misapprehension that it is not a part of their legitimate duty to attend such meetings and conferences. This attitude on the part of the Departmental Officers is considered wrong.

2. These meetings and conferences offer additional opportunities to the officers of this department for more intimate contact with the rural population and for propagating the ideals and the benefits of co-operation and its possibilities for rural uplift and better living.

3. The Departmental Officers should, therefore, accept such invitations by non-official co-operators whenever possible and address the meetings in future. A special report of such meetings addressed by them should be submitted to the Assistant Registrar, who will, if necessary, bring the matter to notice of the Registrar.

STATEMENT OF OBJECTS AND REASONS.

The following are the important changes proposed in this Bill :—

(1) Apart from the fact that the language of section 19A(3) is defective the term of a Local Board or a District Board may expire at any time during the year although elections cannot be held except during the latter half of the year. This very often leads to an anomalous position and delay in the reconstitution of such boards is frequent. It is accordingly proposed to provide definitely that the term of a District Board or a Local Board shall expire on a date to be fixed by the Provincial Government in the fifth year after the last general election. It is further provided, that if in exceptional circumstances the reconstitution cannot be completed before the date fixed by the Provincial Government, the Provincial Government may take necessary steps for carrying on the work of the Board until the new Board comes into existence.

(2) The provisions of section 18B, relating to the hearing of election disputes, have also been found to be defective. It is proposed, therefore, to provide for an Election Tribunal for the hearing of disputes relating to the election of members and Chairmen and Vice-Chairmen of District and Local Boards.

(3) The constitution of a District Board or a Local Board is often held up owing to irregularities in connection with the election of Chairman or Vice-Chairman of the Board or of the election of members of a District Board by Local Boards. To remove this difficulty it is proposed that the meeting of a Local Board for the purpose of electing its Chairman and Vice-Chairman and for the election of members of the District Board shall be convened by the District Magistrate and shall be presided over by a person, other than a member of the Board, to be appointed by the Provincial Government or by such authority as the Government may empower on this behalf. Similarly, it is proposed that the meeting of the reconstituted District Board for the purpose of electing its Chairman and Vice-Chairman shall be convened by the District Magistrate and shall be presided over by a person other than a member of the Board to be appointed by the Provincial Government or by such authority as the Government may empower on this behalf.

2. Certain other minor amendments are proposed with a view to remove certain difficulties experienced in the working of the Act.

STATEMENT OF OBJECTS AND REASONS.

Under the existing law elections cannot be held during the first half of the year, although the term of office of the Commissioners of a municipality may expire at any time during the year The practical effect of this is that either the elections have to be held several months in advance of the date on which the term of office of the Commissioners expires, or the term of the Board has to be extended. To remove this anomaly it is proposed to amend section 56 and section 24(3) of the Act so as to provide that the term of office of the Commissioners of a municipality shall expire at a particular time to be fixed by the Provincial Government in the fourth year after the last general election. It is also provided that if in exceptional cases the reconstitution of the Board cannot be completed in time before the date fixed by the Provincial Government, Government may take such steps as may be necessary for carrying on the work of the Board until it is reconstituted

It is further proposed to amend section 59 so as to provide--

(*a*) that the Chairman and the Vice-Chairman of the outgoing Board shall vacate their office on the date fixed by Government ; and

(*b*) that the first meeting of the new body of Commissionersforthe election of Chairman a nd Vice-Chairman shall be convened by the District Magistrate and shall be presided over by a person other than a Commissioner who shall be appointed by the Provincial Government or by such authority as the Government may empower on this behalf.

Certain other minor amendments are proposed so as to remove some anomalies or difficulties experienced in the working of the Act

STATEMENT OF OBJECTS AND REASONS.

The Bill has been framed mainly with a view to remove certain anomalies and difficulties experienced in the working of the Act.

2. It is proposed to amend sections 17A and 17B in order to make these provisions applicable to disputes relating to the election of President and Vice-President of union boards. It is also proposed to provide for a time-limit for the filing of election disputes under section 17B.

3 Amendments have been proposed in sections 12 and 16 so as to place the disqualifications under these sections on the same footing with those enumerated in section 10A.

4. The amendment proposed in section 41 is intended to authorise the union board to remit the penalty in individual cases of hardship.

Bills introduced in the Bengal Legislative Assembly; Reports of Select Committees presented or to be presented to that Assembly; and Bills published before introduction in that Assembly.

BENGAL LEGISLATIVE ASSEMBLY DEPARTMENT.

NOTIFICATION.

No. 2336L.A.—11th March 1938.—The following report of the Select Committee on the Calcutta Official Receiver's Bill, 1938, with the Bill embodying amendments recommended by the Committee, is hereby published for general information.

Report of the Select Committee on the Calcutta Official Receiver's Bill, 1938.

We, the members of the Select Committee of the Bengal Legislative Assembly to which the Calcutta Official Receiver's Bill, 1938, was referred by a motion carried in the Bengal Legislative Assembly on the 16th February 1938, have the honour to submit this our report with the Bill embodying amendments recommended by us annexed. All matter recommended to be omitted by the Select Committee has been printed in italics and enclosed in square brackets and all new matter recommended to be inserted has been underlined.

2. The Bill was published in English in the *Calcutta Gazette* of the 27th January 1938.

3. We do not consider that the Bill has been so altered by our recommendation as to require republication.

4. The Committee met for the first time on the 19th February 1938 and concluded their sittings on the 5th March 1938.

5. The changes made in the Bill are as follows :—

Long title.—The words "office of" were inserted to conform with the preamble.

Clause 2, sub-clause (2).—The words "and includes a Deputy Official Receiver of the Court" were omitted as they were considered unnecessary and as their inclusion might lead to confusion.

Clause 3, sub-clause (2).—The new sub-clause was inserted as it was considered desirable to prescribe the qualifications necessary for the office of the Official Receiver and Deputy Official Receiver in the Act proper without leaving it to be done by rules.

Sub-clauses (*2*), (*3*) and (*4*) were renumbered consequentially as sub-clauses (*3*), (*4*) and (*5*).

Sub-clause (*6*) is new and has been inserted to make the position of the Deputy Official Receiver clear.

Clause 4.—The portion inserted is intended to remove any possible misunderstanding about the relation of the Official Receiver as between the Court on the one hand and the Government on the other.

Clause 5, sub-clause (1).—This is clause 6 of the original Bill amended and rearranged. The original provision prohibiting him from accepting Receivership in certain cases has been deleted as this was considered undesirable in the interest of poor litigants.

Sub-clause (*2*).—This is clause 5 of the original Bill.

Sub-clause (*2*) (*a*) has been deleted as inexpedient.

Clauses 7 to 12 of the original Bill have been renumbered.

Clause 7.—The insertion of the words in consultation with the Court was considered necessary as the Receiver is actually appointed by the Court for each estate of property and as such it is thought desirable to have their views before the scale of fees was fixed.

Clause 9, sub-clause (4).—This is new and intended to make it clear that the Courts' authority in giving directions to the Official Receiver in certain matters is not intended to be interfered with.

Clause 10, sub-clause (3).—The alteration is intended to make the provision conform to the existing practice.

Clause 11, sub-clause (2) (b).—This has been deleted in view of the new sub-clause (*2*) to clause 3.

Sub-clauses (*2*) (*c*), (*d*), (*e*), (*f*), (*g*), (*h*) and (*i*) have been renumbered.

Sub-clause (*2*) (*i*) is new. It was thought desirable to leave the matter to Government who, in consultation with the Accountant-General, Bengal, were in a better position to prescribe the procedure.

We recommend that the Bill as reported on by us be passed.

The non-official members of the Select Committee recommend that the retiring age of the Official Receiver should be fixed at sixty, and that the post should be pensionable after service of ten years.

Provided that such qualifications are recognised by the Provincial Government after consultation with the Board.

STATEMENT OF OBJECTS AND REASONS.

The object of the Bill is to provide for the registration and control of dental practitioners in Bengal. The question became prominent in recent years owing to the influx of a large number of foreign dentists and the Indian Dental Association asked for Government protection against unqualified dentists A Committee of Enquiry was accordingly appointed to advise Government in the matter. After careful consideration of the report submitted by this Committee, Government have decided to undertake legislation.

The Bill provides *inter alia* for the establishment of a Dental Board, the main functions of which will be—

(*a*) maintenance of a Register of Dental Practitioners, and

(*b*) control of Dental Colleges and Schools training candidates for examinations to be held by the State Medical Faculty for the purpose of granting the necessary certificates and diplomas.

The Schedule annexed to the Bill enumerates the qualifications which entitle the dental practitioners to be registered by the Board. The Provincial Government is empowered to recognise, on the recommendation of the Dental Board, other qualifications which may later on be included in the Schedule.

For the protection of existing practitioners it is proposed that any person who has been in actual practice of dentistry in Bengal for five or more years previous to the passing of the Act shall be eligible for registration within a specified period. Dental practitioners who have been in practice for a shorter period shall have to pass within a period of five years from the commencement of the Act a special examination to be held by the State Medical Faculty of Bengal in the manner to be prescribed by the Provincial Government.

BENGAL LEGISLATIVE COUNCIL.

NOTIFICATION.

No. 2882L.C.—12th March 1938.—The following report of the Select Committee appointed by the Bengal Legislative Council, on the Bengal Tenancy (Amendment) Bill, 1937, which was passed by the Bengal Legislative Assembly at its meeting held on the 30th September 1937, together with the Bill embodying the amendments recommended by the said Committee, is hereby published for general information under Standing Order 40 of the Bengal Legislative Council Standing Orders.

Report of the Select Committee on the Bengal Tenancy (Amendment) Bill, 1937.

We, the members of the Select Committee to which the Bengal Tenancy (Amendment) Bill, 1937, was referred by a motion carried in the Council, have the honour to submit this our report with the Bill embodying amendments recommended by us.

For the purpose of dealing with the matters before us expeditiously we decided generally on the following broad principles of the Bill.

The first question was whether any retrospective effect should be given to the Bill. It was generally admitted that retrospective legislation should be avoided as far as possible. The tenancy law in Bengal is already far too complex and if retrospective effect is given it will lead to considerable litigation and multiplicity of suits. We are of opinion that such a course of action is bound to act ultimately as a great hardship on the poor tenants. Having regard to all these facts we decided not to give retrospective effect. Clause 1 was accordingly altered in the manner hereinafter noted.

On the question of pre-emption, we adopted the following principle which was moved by Dr. Radha Kumud Mookerji :—

"That in the case of the failure of a co-sharer tenant to pre-empt, the landlord should be given the right of pre-emption."

We are also of opinion that some provisions should be made for the speedy realisation of rent. If suitable provisions are enacted they will not only benefit the landlord but will be of considerable assistance to the tenants who always find great difficulty in paying rent whenever there is an accumulation of rent. We also decided that unlike the certificate procedure the provisions to be enacted should be available to all landlords and tenants with reference to holdings. With this object in view the provisions of Chapter XIVA have been inserted.

All matters omitted by us have, as far as possible, been printed in italics and enclosed in square brackets and all new matters inserted by us have been underlined.

The changes made by us are detailed below :—

Clause 1.—In sub-clause (*2*) the amendment has been made on the basis of avoiding unreasonable delay for bringing the Act into force and also for avoiding complications that may arise if retrospective effect is given.

Clause 4.—The first two lines of proposed section 26C, sub-section (*1*) are unnecessary. The amendment proposed restores the language of the existing section.

In clause (*1*) the amendment has been proposed to do away with the necessity for notice on the landlord when the landlord himself is a party.

In sub-section (*3*) of proposed section 26C we think that the first two lines should be omitted as these words are unsuitable because now notices to co-sharers are necessary.

In sub-section (*4*) of proposed section 26C the proposed amendment relates to a drafting point only.

Sub-section (5) of proposed section 26C.—The first two amendments bring the notices to co-sharers within the scope of this sub-section. There are also a few other amendments which relate to points of drafting. An additional proviso has been inserted for the purpose of making necessary provision for adjusting landlord's rent-roll in the event of the transfer being set aside or modified.

Clause (a) of sub-section (6) of proposed section 26C.—The deletion is consequential upon the amendment to sub-section (*3*) and the addition is consequential upon the amendments made to sub-section (*5*) by the Bengal Legislative Assembly.

Clause (*b*) has been amplified on the lines of section 26-I (*2*) and a new clause (*c*) has been added because a judgment-debtor in a court sale is not ordinarily referred to as the transferor.

Clause 6, proposed section 26F —*sub-section* (*5a*).—We think it advisable to empower the Court to make equitable apportionment of the property among the co-sharers in certain cases and with this object in view this sub-section has been added.

Sub-sections (*5b*) *to* (*5d*).—We have decided that the landlord should have the right of pre-emption except in the case of a co-sharer and with this object in view these sub-sections have been added.

Sub-section (*6*).—The addition made here is consequential on our decision with regard to the right of pre-emption.

Sub-section (*9*).—This sub-section provides for an appeal as we are of opinion that an appeal should lie to the ordinary Civil Court.

Sub-section (*10*).—The provisions of this sub-section practically restores section 26J(*3*) which is necessitated by the restoration of the principle of pre-emption in the Bill.

Sub-section (*11*).—A definition of 'transfer' has been inserted here.

Clause 7.—We are of opinion that with regard to the usufructuary mortgages executed before the Bengal Tenancy (Amendment) Act of 1928 was passed it would operate less harshly and arbitrarily on the mortgagees of such mortgages if the period be extended to 25 years instead of 15 years as in the Bill and accordingly these amendments have been made in section 26G.

Clause 16.—We are of opinion that "Mundais" should be included in sub-section (*2*) of section 49A of the Act.

Clause 18.—The amendments are consequential upon the amendment to clause 6.

Clause 18A has been added which is consequential upon the introduction of the new Chapter XIVA. *Vide* clause 33A.

Clause 20.— The first amendment relates to a drafting point. Section 58(*3*) of the Act deals with fine and not penalty. We are of opinion that an appeal shall lie to the District Judge rather than to the Commissioner and sub-section (*2*) has been drafted with this object. The first proviso should really be a substantive provision of law and as such has been incorporated as sub-section (*3*). The second proviso has been omitted as unnecessary.

Clause 21.—The changes proposed here relate to drafting points only.

Clause 22.—A new sub-section has been added to proposed section 85A to provide for an appeal.

Clause 24.—In proposed section 86A the changes made relate to drafting points only.

Clause 27.— The changes are consequential upon the amendment to clause 6.

Clause 30.—We are of opinion that the period of nine months is more suitable as rent will not be due at eleven months and the other changes proposed here are consequential upon the introduction of Chapter XIVA.

Clause 33A.—A new Chapter XIVA has been inserted here. The provisions of this Chapter deal with the summary procedure for the speedy realisation of rent by sale of the tenure or holding through the Courts.

Sections 177A to 177C.—Provide for the recovery of rent for not more than two years by an application; the form of applications and other matters of procedure on such applications.

Section 177D.—Provides for the summary determination by Court of the claim and valuation, but such determination and other points relating to the tenancy may be contested by a suit.

Sections 177E and 177F.—Provide for the sale of the tenancy and the procedure ancillary thereto. The sale may be postponed on the tenant paying for every postponement not less than 15 per cent of the dues but the total period of postponement not to exceed 5 months.

Section 177J.—The sale of the holding (other than an undivided share of land) will wipe out all other arrear of rent due in respect thereof from him, except to the extent that may be realised from the sale-proceeds. The landlord may proceed against the purchaser for the arrear of rent due.

Section 177K.—In the case of a tenure or holding (other than a holding of the nature referred to in section 177J) the landlord can institute a suit for the unrealised balance of the rent against other property of the tenant.

Clause 37.—The first change is consequential upon the amendment to clause 6 and the second change is consequential upon the introduction of the new Chapter XIVA.

Clause 38.—The amendments proposed in sub-clause 3(*b*) are consequential upon the changes made in clauses 4 and 6, respectively.

MINUTES OF DISSENT.

We have to record our disapproval of the amendments made by the Select Committee in clauses 6 and 7 of the Bill.

By amending clause 6 the landlord has been given the right of second pre-emption after the co-sharer tenant. We object to any right of pre-emption being given to landlord as we consider it, not only unnecessary but hazardous to give him such a right. Pre-emption right was given to the landlord by the Amending Act of 1928 mainly with a view to his protection against fraud by designing purchasers who might under-state the price or value of the land transferred, with the object of paying less transfer-fee. Now that the transfer-fee has been abolished there is no justification for retaining the landlord's right of pre-emption on the mere supposition that he had the right of choosing his tenant on the holding being sold.

The landlord, we know, has still got the right of choosing his tenants while settling his Khas land. But he never exercised his right of choice in respect of transferees of occupancy-holdings and all the use he made of his so-called right of choice was to satisfy his own greed by realising whatever he could as *Salami* from all the purchasers indiscriminately. So, even if he had the right of choice, by misusing that right he has forfeited it and the legislature will be only putting premium on misuse of right, if they still recognise the landlord's right to choose the purchaser of an occupancy-holding, by giving him the right of pre-emption.

The result of giving the landlord such a right now, will be that his employees will find it a ready weapon for extorting money from poor illiterate agriculturist purchasers by threatening them with pre-emption suit. Knowing as we do of the zamindar's employees as a class, we seriously apprehend that they will negotiate with rich non-agriculturists and induce them to bear the cost of pre-emption suit and pay them some *Bakshis* for securing the land for them. It will thus open up the doors of intrigue and extortion.

Transferability of rayati-holdings is an altogether new incident which was not thought of, when the Permanent Settlement was concluded. It originated long after the Permanent Settlement with the gradual commercialisation of rayati right. A perfect codification of this particular incident cannot therefore be expected to be achieved in the course of one amendment. Legislature will have to watch the result of every amendment and devise further amendments from time to time until a formula is evolved which would serve the best interest of the country and its people. Transferability of rayati-holdings was recognised for the first time by the legislature when the Bengal Tenancy Amending Act of 1928 was passed, but the landlord-ridden Council, as it then was, could not rise above selfish considerations and recognised the imposition of transfer-fee which according to section 55 of Regulation VIII of 1793 was nothing but *Abwab* pure and simple, and made it a legal due, and fixed its rates definitely and along with it gave the right of pre-emption to landlord. When now it has been decided to do away with the transfer-fee consistently with that decision and for reasons already stated it will be only proper not to allow any right of pre-emption to the landlord. Experience has shown that this right will never be exercised judiciously by the landlord and it will not be exercised against non-agriculturists and other undesirable tenants. The next step for the legislature will perhaps be to enact a separate Land Alienation Act, on the lines of the Punjab Act, for effectively preventing lands from passing out to non-agriculturists and other undesirable tenants. But till then it will be wiser to make transfer absolutely free for watching its result, instead of hedging it round by giving the landlord the right to pre-empt, knowing full well that instead of serving the purpose for which the right is given, it will be an engine of oppression in the hands of zamindar's *amlas*.

Then as to the amendment made in clause 7 by the Select Committee. The period of unsufructuary mortgage has most unreasonably been extended from 15 years to 25 years. Clause 7 no doubt seeks to give retrospective effect to the original section 26G of the Act. But section 26G is wrongly believed to have been enacted with a view to prevent raiyat's letting out lands for very long or indefinite period in usufructuary mortgage, with the object of evading the payment of transfer-fee. The provisions of section 26G are in consonance with the recommendations of the Royal Commission on Agriculture which suggested that "no usufructuary mortgage of agricultural land should be permitted by law unless provisions were made for automatic redemption within a fixed period of years, of which 20 should be the maximum". In Bengal 15 years was considered quite reasonable period as the agricultural land of Bengal is by far superior in fertility, and demands far less attention and labour from the cultivator. That 15 years as the maximum period, is even too long a period for Bengal can be proved on reference to the general rate of interest prevailing in Bengal. From the Bengal Banking Enquiry Report of 1930 it is found that "loans to agriculturists, given on the security of their holding, generally bear interest from 18¾ to 37½ per cent., the latter rate being usually the common rate" (vide page 198 of the report). At the rate of 37½ per cent. which is the usual rate, the interest would be double of the principal in less than 6 years. On taking the mean

between 18¾ and 37½ which is about 28 per cent., it is found that the interest would double the principal in a little over 7 years. At 18¾ per cent. which is the minimum the interest would double the principal in 11 years. According to Bengal Moneylenders Act no court in a mortgage suit can now decree any amount in excess of the double of the principal. When the ordinary debtor is getting this consideration why should not the agricultural debtor also get it? It will be only fair for the legislature dealing with Agricultural Tenancy Legislation to follow the principle of the Moneylenders Act and to stop the mortgagee from further fleecing the tenants as soon as the net usufruct he has enjoyed has become double of the principal for which the land was mortgaged. The mortgagee of an usufructuary mortgage must have made sure that he was getting net usufruct which was not less than the usual rate of interest for secured loans. On the basis of the figures of rates of interest in Bengal we have in our possession, it will be found from the calculations shown above, that the principal would be double in 6 to 11 years. To this may perhaps be added three years of grace on account of the low prices of 1930 to 1936. Even then the period should be 9 to 14 years. Thus it will be seen that even 15 years which was in the Bill before, erred on the side of leniency to the mortgagee. It will be not only unjust but unfair and unconceivable to extend the period to 25 years by which period the interest even at 18¾ per cent. the minimum rate, would be 466 per cent. of the principal But in dealing with the legislation of an entire province we ought to go by the provincial figures and not by concrete instances. If concrete cases were to influence our judgments we should enact law stopping all motor vehicles from running, as such vehicles cause death to innocent pedestrians in concrete cases.

We have also to express our disapproval of the provision of the summary procedure for recovery of rent proposed to be incorporated in a new chapter (Chapter XIVA). We admit that a speedy method of realisation if properly devised would not only be a benefit to the landlord, but also to the tenant. But the method devised must not cause undue hardship to the tenants. Unfortunately however, the provisions for the summary procedure as approved by the select committee are more drastic and harsh than even the provisions under Chapter XIIIA which is proposed to be deleted only because it used to cause hardship to the tenants.

The provisions of chapter XIIIA were confined to particular Estates only of which the proprietors were allowed benefit of summary procedure by Government; whereas the proposed Chapter XIVA can be taken advantage of by landlords of all classes and so if the provisions of the new Chapter be even as harsh as those of Chapter XIIIA, the mischief and discontent will be more widespread.

According to the provision of Chapter XIVA the only way of recovering rent is by sale of the tenancy, without even previously attaching it, whereas alternative methods could be adopted under Chapter XIIIA. A Certificate Officer under Chapter XIIIA could postpone sale to any date and could even refuse execution of a certificate decree, but the Court putting a tenancy to sale under Chapter XIVA will have no such discretion. According to the provisions as amended by the select committee he will not be able to postpone a sale even for a month unless 20 per cent. of the dues are paid and the sale cannot be postponed for more than five months in the aggregate on any account. The new provisions are thus far stricter and give no discretion to Courts. If the sale falls due in the month of Chaitra, Baisak, Asar, Sraban or Bhadra, 90 per cent. of the tenants of Bengal will not be able to pay even 5 per cent. in any of these months as most of them during these months have not only no surplus money in their hands but actually live on half ration. The inevitable result will be that all their holdings will be sold off. We had proposed that the tenant should be given time to pay his dues after harvesting the main crop. We emphatically record our honest opinion that it will be cruel to sell off a tenancy in a summary procedure without the tenant being allowed time to reap his crop. We as members of the Legislature should not lose sight of the fact that 80 per cent. of the raiyats of Bengal have only about 20 rupees per head per annum as income, whereas rupees 41 is necessary for dietary charge only of a jail prisoner of Bengal. It will be absurd to expect such a class of tenantry to be able to pay any portion of dues without harvesting the crops.

The provisions of the proposed Chapter XIVA are harsher than even the provisions of Pattani Taluq Regulations and the Revenue Sale Laws, inasmuch as the claim in Pattani Sale is limited to one year's rent and that in Revenue sale generally to one kist, whereas in the proposed law it is limited to 2 years' rental. In a summary sale procedure the demand must be limited to such an amount that it may be reasonably paid by the person whose property is put to sale without hardship before the sale date and on this principle all the previous sale laws were based. A departure is proposed to be made now and the limit of demand is increased to 2 years' rental, which, it will not be possible at all for the tenant to pay unless he is given proportionately more time. We had suggested 1 crop time for 1 year's dues and 2 crop times for 2 years' dues. The provision in the proposed sub-section (2) of section 177F that the balance of dues after sale will be realisable by proceeding against other properties of the debtor is also not at all just and equitable. If the tenancy is so valueless or has become so valueless that it does not fetch even 2 years' rental on sale, the poor tenant should not be pursued any

further. The reason for such low price is either (1) the land is valueless or (2) the rent is too high or (3) the land has deteriorated, for none of which the tenant can be held responsible. If he were literate and solvent in all these cases he could get abatement by instituting a suit and could probably go on paying the reduced rent. By not taking abatement, he pays the penalty of losing the tenancy altogether and yet again his other properties are to be proceeded against for realisation of balance.

We think the effect of the proposed summary procedure for recovery of rent will prove a disaster to the agriculturists of Bengal and we are unable to agree to such proposals.

The Bengal Tenancy Amendment Bill, 1937, has as its object the lessening of the burden of the cultivator. But it fails in the fulfilment of its object in two main respects. The rights of the under-raiyat have not been improved to the extent that is necessary, and there is no recognition at all of the rights of those who till the land under the system known as *adhi*, *barga* or *bhag*. Secondly, the Bill, though it includes provisions for the suspension of the sections relating to enhancement of rent with retrospective effect, does not succeed in effecting any reduction in the oppressive burden of the rate of rent generally prevailing in the province. In the Select Committee which considered the Bill, I pressed for amendments on these lines. The main points of my dissent are noted below in which I have confined myself only to sections touched in the Bill, and made no reference to many other undesirable features of tenancy law of the province.

The uncertainty in the date of commencement of the Act (when the Bill has become one) introduced by the Select Committee is likely to lead to graver complications than those that it seeks to avoid, and I am not convinced that it is defensible even in principle. The reintroduction of the landlord's right of pre-emption under certain conditions, though perhaps defensible as a theoretical proposition, is, in my opinion, bound in practice to curtail severely the right of free transfer of land by tenants, and I cannot therefore agree to the changes in the Bill introduced by the Select Committee. In respect of usufructuary mortgage, the amendment made by the Select Committee in favour of the mortgagee is in my opinion not justified, though I would welcome some provision for distinguishing the case of purchasers under the cover of mortgage from those of actual mortgagees. The inclusion of provisions by which the under-raiyat can acquire occupancy-rights by possession for a specified number of years is also essential for the purpose of improving his condition. There should also be some provision by which the landlord may be prevented from penalising a tenant-defender by realising from him the cost of summons on all co-sharer landlord-defendants in a rent suit. As regards the new Chapter XIV A introduced by the Select Committee, I am extremely doubtful if it is at all within the scope of the Bill. In addition, the provisions proposed seem unnecessarily harsh, for the sale of a tenant's holding if it takes place at all should form the last and desperate resort of a landlord. Such sale, if altogether unavoidable, should be dated to take place during the harvest season, so that the tenant may have a chance of meeting the claim and saving his holding. Finally such sale should automatically liquidate all liability in respect of that holding and the landlord should under no circumstances be allowed to proceed against any other property of the tenant.

HUMAYUN KABIR.

The 8th March 1938.

I am afraid the main object of the Bill will not be fulfilled unless it is so amended as to stop further transfer of cultivating lands from the hands of the cultivating raiyats. The Bengal Tenancy Act is a piece of very complicated land laws. Any retrospective effect to any amendment to the same will lead to more complications. The existing laws—both civil and criminal—are enough safeguards against exaction of illegal abwabs. Introduction of any summary measure may be a dangerous weapon at the hands of designing persons and, as such, may bring more

evil than good. Inclusion of section 52 in the provision under section 75A of the Bill seems to be courting the danger of reservation of the Bill by His Excellency the Governor. The proposed section 86A appears to be very harsh and unjust to the landlords.

Subject to the above note of dissent, I put down my signature to the report of the Select Committee.

ABDUL HAMID CHOWDHURY.

The 8th March 1938.

We have signed the Report subject to the following Note of Dissent:—

Clauses 3, 4, 5 and 8.—The object of these clauses is to abolish the fee payable to landlords on the transfer of the holding of an occupancy-raiyat together with the right of occupancy therein, and the landlord's right of pre-emption.

The landlord's transfer-fee is a statutory provision introduced by the amending Act of 1928. The landlords contend that they were legally entitled to refuse to recognise transfers and that the Act of 1928 was a compromise—the tenant's right to transfer receiving statutory recognition and being made subject to the payment of a fee which was fixed.

Now it is proposed to abolish the transfer-fee.

It cannot be disputed that the clauses are expropriatary, no compensation being awarded to the landlords for the loss of a right which has been said to be worth a considerable sum annually. If it is in the interests of the State that the transfer-fee should be abolished, compensation should be given. Proposals were made that the fee should be reduced, but these were not adopted.

The Government have stated that it is their intention in the near future to appoint a Commission of Enquiry to investigate the land law of Bengal, and that the object of the present Bill is not to attempt a radical reform of the existing system of land tenure, but to lessen the burden on the cultivator by making amendments to the law which appear to be most urgently required.

We are in sympathy with these objects, but cannot support a procedure of expropriation. We consider that pending the enquiry the transfer-fee, if it cannot be reduced by agreement, should at most be suspended, and that the landlords should be compensated for the financial loss this would involve. It is proposed to introduce a method for speedy realisation of rent, which would compensate landlords to some extent for the financial loss.

Clause 7.—In view of the retrospective effect of clause 7, there is one class of mortgage which requires consideration. To avoid payment of a transfer-fee, a vendor sometimes adopted the form of a usufructuary mortgage to transfer the land to a purchaser. If the clause becomes law as it stands, a vendor who transferred in this manner will be entitled to regain his land. This is obviously unjust and the clause should be amended to enable a court to enquire into the circumstances and ascertain the true nature of the transaction and refuse redemption where the transaction was in fact a sale.

Clause 21.—The inclusion of reference to section 52 is most inequitable, and the provisions of the Act for alteration in rent in the event of alteration in area should not be affected.

Clause 22.—The wording of sub-clause (*3*) is unsatisfactory. The court should be empowered to make provisions for the future relations between the proprietor and the under-tenure-holder holding directly under the tenure to be surrendered.

Further the court should be empowered to decree surrender not merely to "grant permission."

In the case of encumbrances, the surrender can be decreed subject to equitable conditions.

D. H. WILMER.

We regret to say we are unable to agree with the majority of our colleagues in some of their conclusions and have to sign the Report of the Select Committee, subject to the following observations and reservations:—

1. The object of the Bill is stated to be "to lessen the burden on the cultivator and not to attempt a radical reform of the existing system of Land Tenure".

We find that some of the provisions of the Bill are not quite in keeping or consistent with its object and scope as thus defined.

We are not quite able in the context of this Bill and of its object to follow the distinction on principle between the zemindars proper and the various classes and

grades of non-cultivating, rent-receiving middlemen who as occupancy raiyats or even under-raiyats intervene as so many links in the chain between the superior landlord or zemindar at the top and the actual cultivator or tiller of the soil below.

In the direct interest of the cultivator or the toiling tiller of the soil whose burden we seek to lessen, we propose the following changes in the Report of the Select Committee.

2. The tiller of the soil should be exempted from the landlord's transfer-fee or Salami but not the non-cultivating rent-receiving classes, most of whom are money-lenders.

A cultivator is to be taken as the person who habitually tills the land wholly or in part by himself and by members of his family, but not by hired labour, as his principal occupation and means of livelihood, and who holds the land as his own property.

We believe in the principle that the interest of cultivation is more assured where the cultivator cultivates the land which is his own property.

To extend the above concession to non-cultivating classes is against the scope of this Bill, and almost amounts to a radical change in existing Land Laws which the Bill does not profess to seek.

3. We do not think on principle that retrospective effect should be given to any of the provisions of this Bill, especially those regarding usufructuary mortgages.

We have received representations and reports from different classes which show that usufructuary mortgagees include the tillers of the soil themselves who will be hard hit by the proposal of the Select Committee.

4. The proposal to create holdings on the basis of a reduction of rent from the present minimum of Rs. 2-8 to Re. 1 will lead to too much subdivision and make cultivation economically unprofitable.

The modern trend in agricultural reform is towards prevention of excessive fragmentation and promotion of consolidated holdings and collectivist farming.

The proposed provision is therefore against the true interests of cultivation as a means of livelihood.

We should rather like to raise the minimum rent of a holding to Rs. 5 in the case of cultivating under-raiyats or raiyats and to Rs. 10 for tenures (including those of non-cultivating raiyats).

The 9th March 1938.

I have signed the report of the Select Committee on the Bengal Tenancy (Amendment) Bill subject to the Note of Dissent prepared by me. I am not in agreement with several provisions of the Bill but as I do not wish to enter into details here, I shall simply note the principal points. It will appear from the report of the Select Committee that the first point which was agreed upon was not to give retrospective operation to the legislation, but unfortunately retrospective operation has been given in some cases. By way of illustration I may refer to clauses 7 and 9. I am also of opinion that the provisions for the speedy realisation of rent have been made rather complicated and they should be simplified. There is no reason why the landlord should not be allowed to pray for recovery of rent due for a period not exceeding two years in respect of the tenancy.

The main reason so far as I understand for substituting the new section 26C is to repeal all provisions about the transfer-fee. I am of opinion that the local legislatures have no right to do away with the landlords' fee. The Crown is bound by law and contract to recognise the absolute ownership of landlords and cannot curtail their rights without their concurrence. The Legislatures have no right to infringe Crown's contractual obligations entered into in pursuance of Regulation I of 1793 which obligations had been accepted and acted upon so long and which have been taken upon by the present legislatures. Clause 7 is now practically the same the difference being that the period has been extended to 25 years instead of 15 years as in the Bill. In this clause retrospective operation has been given. It is difficult to understand why the Bill seeks to benefit the raiyat-debtors at the expense of raiyat-creditors as the transaction was generally among the raiyats. Moreover, the new

section will create serious legal difficulties. Section 52 does not relate to enhancement of rent but to alteration of rent for alteration in area. Hence, this section should not have been included.

1. We think that landlords, as such shall not be entitled to pre-empt in case co-sharers do not claim the same. We therefore do not agree to the addition of sub-section 5(*b*), 5(*c*) and 5(*d*) to section 26F of the Act.

2. We further think that usufructuary mortgages should be regarded as satisfied at the expiration of fifteen years and not twenty-five years. We therefore do not agree to the substitution of the word "twenty-five" for the word "fifteen" in the proposed new section 26C of the Act.

3. Although we agree that provisions should be inserted in the Bill for the speedy realization of rent, we have some difference amongst us as to certain details thereof.

NAZIRUDDIN AHMAD.

REZZAQUL HAIDER CHOWDHURY.

The 8th March 1938.

I regret I could not agree with my colleagues on all matters referred to the Select Committee.

My view on the question of granting or with-holding the right of transfer of the holding of an occupancy-raiyat should be made dependant entirely on how it would ultimately affect the position of the cultivating raiyats. The extension or restriction of this right should never be made an opportunity of adding to the profit of the landlord. I am therefore of opinion that this right should be given to a raiyat and he shall not pay any salami to the landlord for this.

But in giving him this right we must see that we do not make him a prey to Mahajans and other exploiters against whom he is powerless. I suggest that the right of occupancy should be made transferable in favour of a man who has already had occupancy right in other lands or in favour of one who will cultivate his land with his own hand. This right of occupancy, as distinct from the land itself, should not be made transferable to a man, like a Mahajan, who needs none of the protections given to occupancy-raiyat by the Bengal Tenancy Act but can protect themselves.

Therefore some such provision needs to be made in section 26B and 26C of the Bengal Tenancy Act.

Otherwise this unrestricted right of sale together with the effect of the Agricultural Debtors' Act on the credit system will result in the passing of the lands of the cultivators from their hands to those of the non-agriculturist class.

Clause 7.—The new provision regarding usufructuary mortgage will cause very great hardship to a class of people who cannot survive the effect of this provision when passed into law.

A large portion of such mortgagees are poor and ordinary cultivators and by simply passing such an exproprietary legislation will seriously affect a very poor class of people.

There have been many cases in which an out and out sale was made under the garb of an usufructuary mortgage and this class of cases were frequent before 1928 Act. This new provision will nullify this class of transfer altogether.

The second objection is that by accepting the amendment we will bring all kinds of transaction falling within the class known as usufructuary mortgage on one plane irrespective of the merits of the individual cases.

Further by this amendment we will prevent a mortgagee from redeeming his land before 25 years, if he can prove that from the usufruct the mortgagee in course of ten years or so have realized enough to pay him his principal advanced together with interest at 6 to 8 per cent.

I therefore suggest that such provision instead should be made providing for the mortgagor to come up before an authority with an application for redemption and such redemption will be ordered if it can be proved that from the usufruct the principal and interest calculated at 6 per cent. have been realised.

This will prevent ill-feeling amongst the masses and much criminal and consequential civil litigation can be avoided. In fact the Debt Boards are dealing extensively with such mortgages, apparently without any hardship or difficulty.

Sections 48F and 48G should provide for extending the method of acquisition of occupancy rights by under-raiyats. It must now be admitted that by transferring and selling raiyati interest to a non-cultivator, the real cultivator often takes lease of the land in under-raiyati right on an enhanced rent. It is necessary to protect this class of raiyats and their class will be on the increase after the passing of the new amending Bill. The occupancy-raiyats will slowly come from a class of people who were originally Mahajans or rent-collectors and will enjoy such statutory protection which was created for the protection of the real cultivators of the soil and who were unable to protect themselves.

I therefore suggest that in section 48G, we should provide that every under-raiyat who had cultivated a piece of land for 12 years as a raiyat or under-raiyat shall acquire occupancy right in the land held by him as an under-raiyat. Such acquisition should not be left to custom, alone, a circumstance which is very difficult to prove.

Clause 21.—The question of some reduction of rent has become one of very pressing necessity. With the fall of the price of agricultural produce to less than half of their price prevailing in 1920-29, the tenants are in fact paying in value double of what they used to pay in 1920-29. It is also very well known that during the years between 1918-29 rents have been increased in great many cases on the ground of increase in the price of food-stuff. These being facts which are admitted by all, and we know full well that if a tenant now goes before a court it won't be difficult for him to establish a case of reduction of rate of rent on the ground of decrease in the value of agricultural produce and get the necessary relief. The only difference between the landlord and tenant so far as the exercising and utilising the provisions enacted for their respective advantage is that whereas the former had the resources to reap the benefit, the latter had not nor has he the necessary means. In these circumstances the executive authority as also the legislature owe it to these poorer classes to come forward and give the relief due to the tenants in a cheap manner.

I would therefore propose that in clause 21 it should be provided that at least all enhancements made on the ground of increase in the price of food-stuffs after the year 1914 should be declared to be hereby suspended and should for future realisation to be ineffective. This would give a much needed relief.

Clause 22.—With regard to clause 22 I am of the opinion that relief should also be extended to Putni-tenure-holders. I am further of the opinion that the rights of the under-tenure-holders and other incumbrancers should be adequately protected against fraudulent surrenders. This aspect should not be left to the entire discretion of the court. It should therefore be provided for.

I would therefore propose that sub-section (*6*) of section 86 of the present Act should be added to the proposed section 85A.

CHAPTER XIVA.

At the outset I must say that I am opposed to the whole scheme for realisation of rent provided by this section.

This chapter introduces all the objectionable features of the Public Demands Recovery Act, often the rigours increased without those sections of the said Act which gave some protection to the tenants.

Hardships of the Public Demands Recovery Act was due amongst others to (i) the demand for immediate payment of rent after certificate was issued, (ii) the abuse by the subordinate staff of the executing department of the summary powers of seizure.

The first caused hardship because it often becomes difficult for the bankrupt tenants to immediately raise the amount and pay the dues. This difficulty gave opportunity to the unscrupulous peons to realise a handsome amount from the tenant as gratification for being given another adjournment.

I am of the opinion that so far as Government dues are concerned those should be realised by an executive machinery, but in which safeguards should be provided against the difficulties mentioned above.

As for the dues of the private landlords, we must in accepting any change in the law see that we do not compel the tenant to further forced sale of his holding.

A machinery may be provided for quicker decree being passed in some classes of cases. It should be provided that if a tenant pays the dues immediately after decree is passed then only half the court-fees paid by the landlord shall be payable by the tenant sued against. This will create an inclination for payment without delay. Sale of the holding should be resorted to as a last alternative. Crop should be attached in the first instance. Even when sale of the holding is resorted to the holdings should

be first sold subject to incumbrances, if that does not bring the amount due, then there may be a resale free from incumbrances. A minimum should be fixed for each property put up for sale and there should be no sale below the amount fixed. In case when the amount due is not realised by the sale then the balance due should be considered as paid off and there shall be no further claim for any arrears of rent remaining still due.

Beyond these few provisions I am against the rest of the amendments made at the instance of the Government.

Chapter XIIIA of the present Act was available only to a few private Estates, yet the agitation against the same was already great. The proposed amendment seeks to extend the summary procedure to all rent collectors in all areas in Bengal. Consequently the agitation will only gain in strength.

The argument that the power is now being given to civil courts instead of the Revenue officers is not likely to be very convincing. There will be no improvement by this change.

HAMIDUL HUQ CHOWDHURY.

The 9th March 1938.

I beg to submit the following Note of Dissent to the amendments recommended by the Select Committee on the Bengal Tenancy (Amendment) Bill, 1937:—

Clause 4, section 26C, sub-section (6).—(*b*) "transfer" .....by conditional sale or any combination thereof

The underlined words should be added.

Clause 6, section 26F.—(*1*) Except in the case of (*d*) should be deleted and thus substituted—

(*d*) A debottar in accordance with the provision of the Hindu law and a dedication for religious or charitable purposes under the Buddhist or any other law.

Clause 6, section 26F.—(*5b*) (*a*) After "if the transfer be of the entire holding" this should be added " and if it does not form the subject-matter of a wakf or debottar or religious trust under the Buddhist or any other law."

In (*5d*) another sub-section be added as follows:—

(*5d*) (*c*) That court shall after receipt of an application under section 5(*b*) make an order allowing it on the landlord depositing the amount of the consideration money or value of the transferred tenancy or portion thereof together with a compensation at the rate of 10 per cent. on such amount and further direct that the deposit made be paid to the transferee or such other person as the court thinks equitable.

(*6*) (*a*) ..... be deemed to have vested jointly and free from all incumbrances which have* been created after the date of the transfer.....

[*here I have deleted the word "annulled".]

(*9*) An application under section 26F(*1*) or (*4*) or 5(*b*) shall be treated for the purpose of determining jurisdiction, original and appellate, as a suit between landlord and tenant under section 144 and any order passed therein shall be appealable.

I think this will clarify (*9*).

Clause 20, section 74A.—(*2*) Delete "and the order passed by the District Judge on such appeal shall be final".

Clause 22, section 85A.—(*4*) For the purpose of determining jurisdiction, original and appellate, an application under sub-clause (*3*) shall be treated as a suit under section 144 and any order passed thereon shall be appealable.

Please substitute this—

Section 177-I.—(*3*) (*d*) A proceeding under Chapter XIVA shall in no way be affected nor any execution in such proceeding be stayed by or under the provisions of the Bengal Agricultural Debtors Act.

This sub-section be added.

The 9th March 1938.

---

1. I do not subscribe to the change proposed by the Select Committee in clause 6 giving powers to landlord to pre-empt. The landlord should not be given power of pre-emption under any circumstances.

2. Although I agree that some provisions should be inserted in the Bill for the speedy realisation of the rent, I have some difference of opinion regarding certain details thereof.

ATAUR RAHMAN.

The 8th March 1938.

On principle I am opposed to the Bill. In my considered opinion it is a measure of expropriation. It is against public policy. It is a negation of equity. It contravenes the fundamentals of the constitution established by law. If enacted, it will be a lawless law—intensively capricious and destructive of time-honoured customs and recognised privileges. It is a definite infringement on property rights. It is the result of the attitude of an artificially created majority in the Bengal Legislature towards a particular class or community. It is highly communistic and tends to lead to "Agrarian socialism". It creates a feeling of anxiety and apprehension for the future, inasmuch as it points towards an orgy of lawlessness. On the other hand, it alters the character of the Permanent Settlement. Until fuller realisation it may pass for an act of appeasement so far as the raiyats go, but in reality it does not improve the lot of the actual tillers of the soil, or lead to a scientific policy of agricultural development. Through careful study and closest possible scrutiny of its provisions, conviction has steadily grown on me that it shows promise but not achievement.

The landholders believe in the principle that the interests of cultivation is more assured where the cultivator cultivates by himself the land of his own tenancy. The landholders are, therefore, willing to help the actual tillers of the soil. This Bill, however, unfortunately draws no line of demarcation between cultivating and non-cultivating tenants and extends concession which will benefit the latter to a greater degree than the former.

The object of the Bill is stated to be "to lessen the burden on the cultivator and not to attempt a radical reform of the existing system of land tenure"; but, in reality some of the provisions of the Bill have gone beyond the limits thus defined and radical changes in existing land laws have been made. This is unfair to say the least of it. Another glaring injustice has been done by giving retrospective effect to some of its provisions, in violation of the fundamental principle of law.

Let me now mention some instances to illustrate my comments. In the first place the statutory right of the landholder to get transfer fee or *salami* when a holding or any part of it is transferred by the recognised tenant is an important right in land. Although it is a statutory right, it is based on property right in the terms of the Permanent Settlement, inasmuch as the zemindars were entitled by the statute of 1928 to exercise this right in lieu of the right to transfer a holding or any part thereof which was then conceded to the occupancy-raiyat. The said statutory right of the landholder was more or less a compensation for the collateral or incidental concession or privilege which was granted to the tenant by the legislation referred to above within the scope of Regulation I of 1793. It did not take away the proprietary right of the landholder and so if the provision for compensation is obliterated, the collateral benefit which accrued from it in favour of the tenant must also go, so as not to alter the character of the Permanent Settlement. It is clear that this right of the landholder, which is now proposed to be taken away, is an important right in land and is protected by section 299, sub-section (3) of the present Government of India Act and the Instrument of Instructions which has been made an integral part of the said Act.

Section 52 of Regulation 8 of 1793 has also been violated inasmuch as the Bill proposes to take away from the landholder his fundamental right to impose on a tenant a fair rent, as the landholder thought proper, for an area not included in the tenancy of the tenant. This is undoubtedly another glaring instance which proves beyond the shadow of a doubt that the Bill if enacted will alter the character of the Permanent Settlement.

The right of pre-emption goes hand in hand with the provision for transfer-fee or *Salami* and by itself is an important right in land and it will be equally unfair to deny the landholder this statutory right which was also created in lieu of the right to transfer with which the tenants was invested as a collateral privilege by the Act of 1928.

The above valuable rights in land cannot under any circumstances be taken away by a Provincial legislature without a provision for adequate compensation, or substitution of some other rights of reasonable profit, standing for the irrevocable proprietary right of the landholder in the soil.

I should like to add one more instance of illegality which this Bill seeks to legalise. Usufructuary mortgages have been ruthlessly scrapped. This will not only hard hit the tillers of the soil, but will violate the fundamental principle of law. Retrospective effect is proposed to be given to this pernicious clause of the Bill without providing for any compensation. In my considered opinion it is also an infrigement on the Government of India Act with reference to the lists in schedule VII of the said Act.

To revert to the right of pre-emption, I cannot help observing that it is extraordinarily mysterious that this right should be given to the co-sharer tenant, as if he has property in the soil. It is certainly beyond the scope of the Bill. On the other hand, if the right of pre-emption, as alleged, operates harshly on the transferor or the transferee, if it prejudicially affects the value of land and makes transactions abnormally difficult, the position, I am afraid, has by no means been improved by taking away that right from the landholder and investing the co-sharer tenant with

it, unless it is meant to be the prelude of the communistic slogan, "Land for the tillers alone", although in the present case, the non-cultivating intermediaries, so-called tenants, will have the cream of this arbitrary change.

Then again, it is notorious that the normal civil procedure followed in disposing of rent suits is extremely dilatory and expensive. In spite of this, Chapter XII on distraint was abolished. In 1928 what is commonly known as Certificate Procedure under the Bengal Public Demands Recovery Act of 1913 was, however, brought within the reach of landholders to enable them, under certain costly conditions, to expeditiously realise their fair and equitable rent. The present Bill proposes to take away this privilege from the landholder for no rhyme or reason, inflicting great financial loss on those who had to pay handsome price to purchase it. No doubt at the last moment to appease the landholder, Chapter XIVA has been added with much ado, but it is in reality empty and void—worse than useless. As it stands at present, it makes no sense and I am sure it will prove puzzling and embarrassing to courts and parties alike. The machinery thus created will hardly afford any relief to the landholder and may jeopardise the interests of co-sharer landholders when an undivided holding is sold out under sub-section (*6*) of section 177K of Chapter XIVA, as there is no provision to serve notice on them or make them parties to the "application." Apart from this, in many cases, it may victimise the credulous tenant. Chapter XIIIA with some modifications to take appropriate effect only on intermediaries and Chapter XII on distraint to operate on real tillers of the soil should be restored and the new Chapter XIVA should not be allowed to perpetuate a folly in the name of a blessing.

I agreed to serve on the Select Committee not because I stood committed to the principles of this Bill, but because it occurred to me that I had no right to decline to serve at a time which was suitable for common counsel—when we should make an earnest endeavour to find unity in variety and harmony in discordant tunes. I thought I could effect a compromise honourable to all parties concerned and purge out from the Bill, by conserted action, the spirit of aggrandisement and all illegalities and constitutional defects. I have tried my level best, but I must confess that I have utterly failed to do so. Let me give, as briefly as I can, some instances to illustrate my meaning. My attempt to effect a compromise by 50 per cent. reduction in the rate of transfer-fee, or even by granting total exemption to real tillers of the soil, barring non-cultivating and rent-receiving intermediaries, was treated with scant respect. I vainly argued that the right of pre-emption was never harshly exercised and was an effective deterrent against under-estimation of the value of land and indiscriminate transfers which may ultimately make the real cultivators landless or lead to a breach of the peace and even endanger public tranquillity.

I pleaded for its retention with certain reservations for the benefit of the actual cultivators, but my voice proved to be a cry in wilderness. In order to hold the scale even between the landholder and the real cultivator, I tried to restore the original Bill, clause 75A which gave power to the Provincial Government to suspend by public notification all provisions relating to *both* enhancement and reduction of rent, but no, only provisions for enhancement of rent must be suspended! Is this fair play? I tried to retain Chapter XIIIA, modified by the following proviso to be added to it under section 58A, clause 5 as sub-clause (*c*):—

> "provided that no certificate shall be signed if the certificate-debtor satisfy the officer that he is an actual cultivator of the soil";

but, I was sharply told that there was no earthly chance of retaining Chapter XIIIA in any shape. I strongly condemned the practice of taking *Abwab* in any shape and agreed to accept the provision for summary penalty for realisation of *Abwab* if a similar provision is made for summary penalty of the tenant, or any one acting on his behalf, for effecting, by bribe or illegal gratification, escape from payment of fair and equitable rent, or for managing to hide from the landholder or to under-value a certain *Jama*, or for getting illegal possession of his Khas land without his knowledge and consent. Cases of such deception are not few and far between.

I cannot do anything more than to appeal to the Council, to revise the illegal and inequitous provisions of this Bill, or to drop it altogether, or as the last alternative not to proceed with it until a decision has been obtained from the Federal Court with respect to the questions of law which I have raised.

M. N. RAY CHOWDHURY.

The 9th March 1938.

I sign the report subject to this note of dissent. I am of opinion that the policy behind the amendments as passed by the Assembly is to bring about the ruin of the landlords at the expense of the raiyats. This is a very shortsighted policy. The existence of the landlords is an extremely important factor in the social economy of the province. It cannot truly be said that they have outlived their importance and

that they should be wiped out for the welfare of the province as a whole. I am not a landlord but, rather, a tenant. My considered opinion is that there should be a true and correct adjustment of the relationship between the landlords and tenants. I do not believe in the theory very often put forward that the obliteration of the zamindars and intermediate tenure-holders will bring in immense amount of money into the coffers of the Government and will usher a millenium to the raiyats and to the people at large. I am for legislation and strong legislation to put down vagaries of the landlords which have been found to be in existence. The amendments should be directed to bring about peace and amity and general welfare of the people and not estrangement between the landlords and tenants.

I am for free transfer of occupancy holdings with a recognition of the right of landlords to the soil and in this view I am of opinion that the landlords should be given a token *selami* in case of every transfer. I am further of opinion that the landlord should have an option of pre-emption for a reasonable and just cause which should be specified in the Act. I am of opinion that the new chapter which has been added by the Select Committee for speedy realisation of rent is not very much different from the existing provisions for realisation of rent by suit. A duplicate machinery has only been provided with apparent shortcomings and complications. I do not think that the landlords will ultimately take recourse to the provisions of this new chapter with the attendant risks and limitations. I do not understand why *ad valorem* court fees should be paid on the applications though the decision will not amount to a decree. This is against legal principle. I am of opinion that the existing provisions should be modified with a view to curtail the period of time which is now taken from the institution of the suit to the realisation of money.

I shall bring up amendments in the House in furtherance of the objects stated above.

JATINDRA MOHAN SEN.

---

1. In clause 6 in the proposed new section 2(*1*)(*a*), co-sharers by purchase are excluded from the benefit of the sub-section. I think that persons who are co-sharers by right of purchase at least 12 years before the transfer and hence may be presumed to have been in quiet possession of his share should be given the benefit of the sub-section and should be excluded from the exception.

2. Provisions should be made in the new section 26F to give relief to pre-emptors where the consideration money has been overstated to defeat the claim of pre-emption.

3. The Bill gives to all co-sharers of a *holding* equal right to pre-empt in all transfers of portions of the holdings irrespective of the fact whether he is a co-sharer of the plot in question. I think pre-emption to each plot should be allowed to co-sharers of such plot in preference and co-sharers of other plots of the holding. Otherwise serious inconvenience will arise.

4. The Bill describes the right of a pre-emptor a so-called right to "purchase". As a matter of fact in pre-emption there is no purchase or re-purchase. The pre-emptor is merely substituted in place of the transferee. Drafting changes should be made to make this clear.

5. In clause 25, new section 88 (*4*), the mutation fee should be allowed to be paid by money-order to save a lot of expenses.

Provided further that if a transfer is subsequently set aside or modified by a competent authority, the party in whose favour such order has been made shall, unless such order has been passed in a suit, appeal or other proceedings to which the landlord was a party, deposit with that authority the prescribed fee for a notice on the landlord or his common agent, if any, describing the modifications made by such order, on receipt of which notice the landlord shall cause his rent-roll to be corrected accordingly.

(*b*) If no application is received from a co-sharer tenant within the period provided in sub-section (*1*) or if no order is passed in favour of any co-sharer tenant under sub-section (*5*), the Court shall forthwith issue notice in the prescribed form by forwarding such notice by post in a letter addressed to the landlord or landlords who have applied under clause (*a*), and registered under Chapter VI of the Indian Post Office Act, 1898, calling on such landlord or landlords to deposit, jointly or severally, within one month, the amount referred to in sub-section (*2*), and thereafter the provisions of sub-sections (*2*) to (*5*) (both inclusive) shall apply, *mutatis mutandis* and so far as may be, to the entertainment and disposal of such applications. VI of 1898.

(*6*) From the date of the making of the order under sub-section (*5*) whether in favour of co-sharer tenants or the landlord—

subject to the provisions of section 22 and to any order passed under sub-section (*5a*), be deemed to have vested, jointly and free from all incumbrances which have been annulled or created after the date of the transfer, in the co-sharer tenants or the landlord, as the case may be, whose applications to purchase have been allowed under this section,

(*b*) the liability of the transferee for the rent due from him on account of the transfer shall cease, and

(*c*) the Court on further application of such applicant or applicants may place him or them, as the case may be, in possession of the property vested in them.

(*7*) When a transferee is divested of his right, title and interest under the provisions of sub-section (*6*), he shall for the purposes of clauses (*a*), (*c*) and (*d*) of section 156 be deemed to be a *raiyat* ejected from his holding by proceedings for his ejectment commencing on the date on which the application under sub-section (*1*) was made.

(*8*) Nothing in this section shall take away the right of pre-emption conferred on any person by Muhammadan Law.

(*9*) An appeal shall lie to the ordinary Civil Appellate Court from any order of a Court under this section.

(*10*) The provisions of this section shall apply to the transfer of the holding of an occupancy *raiyat* or a share or portion thereof of which the instrument or sale certificate purports to transfer the interest of a permanent tenure-holder or of a *raiyat* holding at a rent or rate of rent fixed in perpetuity or of a rent-free holding, notwithstanding anything contained in the said instrument or sale certificate.

(*11*) In this section 'transfer' does not include simple or usufructuary mortgage or mortgage by conditional sale until a decree or order absolute for foreclosure is made."

Resolution on the final report on relief operations in the district of Jessore during the years 1936-37.

GOVERNMENT OF BENGAL.

Revenue Department.

Miscellaneous.

Calcutta, the 9th March 1938.

RESOLUTION—No 4863Misc.

Read—

Letter No. 143R.G., dated the 25th January 1938, from the Commissioner of the Presidency Division, submitting the final report.

2. The district of Jessore has an area of 2,902 square miles with a population of 1,671,164 according to the census of 1931.

The dronght which occurred in 1935 caused partial failure of the *aus* paddy crop throughout the district while the *aman* paddy crop, the principal crop of the district, failed partially in Sadar, Jhenidah and Bongaon subdivisions. The condition of the *rabi* crop in areas which are comparatively high was also unsatisfactory

3. The district was beginning to recover from the effects of the drought, and a favourable monsoon was giving promise of a good harvest, when a severe set-back occurred in August and September 1936. The rivers Bhairab, Ichamati, Kabadak and Navaganga rose in flood and inundated about 2,657 square miles with a population of 214,000 in parts of four subdivisions. A great area of *aman* paddy was destroyed and heavy damage was done to *aus* and jute. *Rabi* cultivation in certain areas was hampered by water-logging after the floods.

4. To relieve distress caused by drought and flood timely relief measures were undertaken by Government and the district board. These consisted, as usual, of agricultural loans, relief works, paddy-husking schemes and gratuitous relief.

Agricultural loans.—Agricultural loans to the extent of Rs. 84,623 were distributed for drought relief, and, in addition, Rs. 53,227 for flood relief.

Relief works.—The district board of Jessore did not conduct test works as defined in the Famine Code but they took up the repair of district and local boards roads and construction of village pathways in affected areas so as to provide work for labourers. These works were done through contractors at ordinary rates and cost the district board a sum of Rs. 2,615 in the earlier part of 1936-37 and Rs. 22,137 (including a sum of Rs. 15,000 for roads in areas affected by floods) in the latter part of the same year and early in 1937-38

Paddy-husking schemes. — Paddy-husking schemes on a moderate scale were opened in areas affected by flood and drought. The total number of persons thus employed and maintained was 839 at a cost of Rs. 1,415.

Gratuitous relief.—Gratuitous relief was given in cash in areas affected by drought during the period from April to July 1936 at a cost of Rs. 1,687 which was met from charitable funds. In the flood affected areas, relief was given through nine union relief committees in the form of doles of rice, in accordance with the procedure laid down in Chapter VIII of the Bengal Famine Code. A sum of Rs. 703-9 was spent in this connection and a sum of Rs. 332 was spent out of the Central Relief Fund for rebuilding houses which collapsed on account of floods in the Bongaon subdivision.

Besides these measures the Subdivisional Officers of Bongaon and Jhenidah persuaded merchants and landlords to lend paddy on liberal terms and thus relieved distress to certain extent.

5. Mr. O. M. Martin, C.I.E., I.C.S., Additional Commissioner, Presidency and Burdwan Divisions, supervised the relief in this district as in other districts in West Bengal.

6. The Governor is satisfied that the measures undertaken to relieve distress in this district were adequate and successful. The thanks of the Governor

are due to Khan Bahadur Fazlul Karim and Mr. P. D. Martyn, I.C.S., the then Collectors of the district, who worked with energy and ability. His thanks are also due to Mr. Syed Nausher Ali, Chairman of the district board of Jessore and to the other members of the board, for their cordial co-operation; and to the honorary workers who contributed to the successful working of the relief operations. Government are pleased to direct that the good work done by Maulvi Hafizur Rahman, Subdivisional Officer, Magura, and Babu Nitya Gopal Roy, Subdivisional Officer, Bongaon, be recorded

Order.—Ordered that this resolution be published in the official gazette.

Secy. to the Govt. of Bengal.

Notices.

3. If in any case the District Health Officer considers that the issue of a notice under these regulations is likely to lead to such an amount of delay as might facilitate the spread of cholera he may forthwith take such steps as he may think fit for carrying out the work, and shall thereafter, as soon as possible, issue a notice on the person concerned stating the reason why such work has been carried out.

4. If any measure which the District Health Officer has, by a notice issued under these regulations, required to be carried out, be not

(*2*) The board may recover all expenses incurred by the District Health Officer in carrying out the measure under regulation 4 from the person or persons to whom the notice was originally issued.
